City Council Regular Minutes
July 14, 2025

1. Call to Order, Roll Call, and Pledge of Allegiance

Roll call was taken with the following City Council members present: Council President McNare, Council member Hershberger, Council member Schmidt, and Council member Weeks.
Also present: JD Cox, City Manager; Mike Armstrong, City Attorney; Devon Litzsinger, City Clerk; Michele Carter, Human Resources Director; Todd Byerly, Chief of Police; Brandon Frye, Parks Superintendent; and Mary Nicol, Administrative Services Director/Treasurer. John Harbarger, Public Works Director attended via Teams.
Council President McNare led the assembly in the Pledge of Allegiance.

2. Disclosures by City Council Members

Council member Schmidt disclosed a conflict with item 10B: Aid to Others.

3. Approval of General Agenda (Corrections or Additions)

Council member Hershberger moved to amend the agenda to add "Consideration of purchase agreement with Stephen K Gregersen at item 10D". Seconded by Council member Weeks. Motion carries 4-0.

4. Public Comments

None.

5. Approval of Consent Docket

Council member Hershberger requested to discuss Ramshorn Construction from the warrant register separately. Council member Weeks moved to approve the consent docket as presented with the exception of Ramshorn Construction. Seconded by Council member Schmidt. Motion carries 4-0.

a. Minutes

Regular City Council Meeting: June 23, 2025

Special City Council Meeting: July 7, 2025

b. Bills & Claims

Warrant Register: June 2025

c. Other – Consent

6. Presentations

a. Promotion: Devon Litzsinger, City Clerk

City Manager Cox introduced Devon Litzsinger as the new City Clerk for the City of Douglas and provided information on her background and qualifications for the position. City Manager Cox briefly introduced Michele Carter as the Human Resources Director with a full introduction occurring in August.

7. Discussion Items

a. Policy Update: Current Status

Council member Weeks requested a status update on the policy manual revisions. He stated the importance of a policy manual for City employees. Dates were provided as to when the revisions should be completed and presented to council for consideration.

b. Liquor Commission

Council member Weeks questioned if staff had met with 5 Rivers Inc regarding their request to transfer a Retail Liquor License. City Manager Cox answered questions regarding the meeting. Owner and employees of 5 Rivers Inc provided their perspective on the meeting.

c. Recording: Council Meetings

Council member Weeks requested all meetings of the City Council take place in the Council Chambers and are recorded. Council member Weeks also directed staff to obtain information on how many citizens are watching the council meetings.

d. Pickle Ball Courts: Maintenance

Council member Weeks requested staff address the maintenance of the Pickleball courts. Discussion of adding a water spigot at the courts was had.

e. Land Use & Water Matters: Riverbend, Lot 62, Block 2

Council member Hershberger discussed land north of Sweetwater Rd and possible uses for the land. Discussion was had concerning the water pressure at the location.

f. Xeriscape Riverside Park: South of South Park, North of North Sidewalk, POW to CCB

Park superintendent Frye provided an overview and the challenges of xeriscape. Discussion was had regarding different ideas for the location. Council directed staff to obtain estimates regarding the engineering of xeriscape.

g. Expenditure Consideration

Director Nicol provided information regarding items missed in final budget. Items missed include sidewalk rehabilitation 50/50 cost share program in the amount of $35,000, street pans in the amount of $35,000, and increasing the allocated funds for the Community Service Officer truck from $25,000 to $40-50,000. Council directed the items be listed as separate items on the budget amendment.

h. Fireworks

Council member Hershberger congratulated the Police department for a job well done on July 4. Council member Hershberger requested work begin on an ordinance making fireworks legal within city limits on July 4th during set hours and listing the types of fireworks allowed. Council member Schmidt recommended contacting firework distributors in the surrounding area and requesting a "city-safe firework box" be created for sale to alleviate confusion about which fireworks would be legal.

i. Ord. Campaign Advertising

City attorney Armstrong provided information regarding signage in the right-of-way. Discussion was had regarding political signage in parks during events. Council directed staff to revise the ordinance and present next meeting as a discussion item.

j. Warrant Register: Ramshorn Construction

Council member Hershberger requested clarification regarding the scheduled payment to Ramshorn Construction. Discussion was had regarding poor quality repair job of brick facade on City Hall. Council member Weeks requested the tree on the southwest corner of City Hall be relocated as to not block the electronic message board upon growth. Council member Hershberger moved to approve the invoices for Ramshorn Construction on the warrant register. Seconded by Council member Weeks. Motion carries 4-0.

8. Public Hearing

a. Liquor License Consideration: Application to transfer from H 4 U INC to 5 Rivers Inc.

Council President McNare opened the public hearing at 5:00 pm. City Clerk Litzsinger provided an overview. No public comments in favor or opposition. Public hearing closed at 5:02 pm. Council member Weeks moved to approve the transfer of the retail liquor license from H4U Inc to 5 Rivers Inc as presented. Seconded by Council member Schmidt. Discussion was had regarding the differences between a restaurant and a retail liquor license. Motion carries 4-0.

9. Tabled Items

a. Charter Ordinance No. 1060: Liquor, Bar&Grill

Council President McNare requested to take no action and leave the item on the table.

10. Council Action Items

a. Resolution 2025-18: A Resolution Authorizing the Sale of Real Property Owned by the City Of Douglas, Wyoming and More Particularly Described as Capitol Hill Subdivision, Lot 8, Block 1

City Manager Cox provided an overview. Discussion was had regarding the property. Council member Weeks moved to approve Resolution 2025-18 as presented and furthermore authorize the City Manager to sign all associated documents. Seconded by Council member Hershberger. City Attorney Armstrong advised there are no documents to sign. Motion carries 4-0.

b. Aid to Others: American Legion Samuel Mares Post 8, Boys & Girls Club of Douglas, CANDO dba The Enterprise, Community Action Partnership of Natrona County, Converse County School District #1 Recreation Board, Children's Advocacy Project Inc, Converse Hope Center, Douglas Community Club, Douglas Youth Hockey Association, Fire Suppression Authority, Gathering Inc dba The Gathering Place, Helping Hands Ministries Inc., High Country Behavioral Health, Laramie Peak Humane Society, Main Street Douglas Inc, Outdoor Enthusiasts of Converse County, Saving Grace Food Pantry, Wyoming Child & Family Development, Wyoming State Fair Foundation, Youth Development Services

City Clerk Litzsinger provided an overview. Council member Weeks recognized an error on the funding amount allocated for Converse Hope Center. The amount listed was $20,000 and the agreed-upon amount was $15,000. Council member Hershberger moved to approve the FY2526 Community Service Funding agreements with the amendment of making the Hope Center $15,000 and furthermore authorize the City Manager to sign all associated documents. Council member Weeks seconded. Motion carries 3-1, with Council member Schmidt abstaining.

c. Washington Park Property Lease: Agreement with Helping Hands Ministries Inc.

City Clerk Litzsinger provided an overview and answered questions from council. Council member Weeks moved to approve the Lease Agreement for the City Property in Washington Park where Helping Hands Ministry Inc building is located as presented. Seconded by Council member Hershberger. Motion carries 4-0.

d. Consideration of Purchase Agreement: Stephen K Gregersen

City Manager Cox provided an overview. Brief discussion was had and council questions answered. Council member Weeks moved to approve the Consideration of Purchase Agreement with Stephen K Gregersen with the exception that the money won't be paid until we know that the City is actually going to own the property. Council member Schmidt seconded. Council President McNare stated how beneficial this property will be for the growth of Douglas Mountain. Council member Weeks thanked the Outdoor Enthusiasts of Converse County for their hard work on this project. Motion carries 4-0.

11. City Manager's Report

City Manager Cox provided an update on current projects happening throughout the City.

12. Council Information

a. Converse County Tourism Promotion Board Minutes: April 2025

b. Converse County Tourism Promotion Board Minutes: May 2025

c. Arts & Culture Board of Trustees Unapproved Minutes: June 2025

d. Notice of Possible Quorum: Ribbon Cutting, July 28, 2025, City Hall, 3:30 pm

Council President confirmed the date and time of the ribbon cutting will work for all council members.

e. Community Service Officers: Provide Ordinance Numbers

Council member Hershberger requested the Community Service Officers reference the ordinance they are enforcing and confirm the type of animal being addressed, as some animals are protected.

f. Community Service Officers: Statistics

Council member Weeks requested the statistics of code compliance calls completed by the Police Department. Police Chief Byerly provided the statistics. Council member Weeks commended them on a job well done.

g. Public Comments: Followup

Council member Weeks addressed the lack of follow-up from the public comment section of City Council meetings. Council member Hershberger suggest the City Clerk provide follow-up emails to citizens.

h. Business Aid: City Projects

Council member Weeks questioned if the City has a reimbursement process for businesses losing business due to a City project. Advised staff to research options.

i. Compensation Strategy

Council member Weeks commented on the proposed compensation change during evaluations for City employees.

j. City Emergency: Employee Meals

Council member Weeks questioned who provides meals for City employees when dealing with an emergency. Referred to the water main break, public works employees worked 30+ hours overnight to repair. Director Harbarger confirmed he paid for meals for his staff out of his own pocket. Council member Weeks requested staff look into a meal fund for city employees working during emergencies.

k. Parking: North 2nd St

Council member Weeks discussed parking problems on North 2nd St.

l. Condemned Property: 219 S 3rd St

Council member Weeks discussed the condemned house and the condition of the lot.

13. CircleBack Recap

City Clerk Litzsinger provided a listing of the Circle Back requests from Council.

a. Advertising: 1 Cent Projects

Council member Schmidt questioned what 1 cent projects are currently happening and if signage was displayed. Director Harbarger confirmed signage for the pool. Council member Hershberger requested use of the electronic message board to advertise the 1 cent projects. City Clerk Litzsinger confirmed the projects are being rotated on the electronic message display. Council member Weeks requested social media postings as well.

14. Good People Doing Good Things

Council member Hershberger provided kudos to the police department for their 3rd successful year of Cops & Bobbers. Council member Weeks agreed. Council member Weeks applauded an employee who stepped out of her truck to clean up trash blowing in the wind this early spring. Council member Weeks also recognized Eric Harmon for cleaning up garbage on a brutally windy day in April. Eric was walking down Yellowstone and noticed a piece of cardboard on the school fence. Eric proceeded to fight the wind and the cardboard the whole way to the nearest dumpster. Council member Hershberger recognized a city employee on a city tractor who stopped at the intersection of Richards

and 4th St to pick up trash.

15. Community Update

a. Event Calendar

A video highlighting upcoming events was played. Council member Hershberger expressed interest in hosting events similar to Rock the Glen at the new community center. Council member Weeks commented that he hears positive about the events and the splashpad in Glenrock.

16. Executive Session

Council member Weeks moved to recess/adjourn into executive session for the purpose of considering the appointment, employment, right to practice, dismissal, complaints or charges against a public officer, professional person or employee, in accordance with W.S. §16-4-405(a)(ii). Council president McNare confirmed there was not a need to come back, the meeting could adjourn into executive session. Council member Hershberger seconded. Motion carried 4-0.

17. Adjourn

Regular City Council Meeting of July 14, 2025 adjourned at approximately 6:10 pm.

Kim Pexton, Mayor

Re: WWDC Level II Study - Sheep Mountain #2 Well

Dear Mr. Oberlander,

This letter serves to summarize the Wyoming Water Development Commission (WWDC) Level II Well drilling project and to seek input regarding the project. The original intent of the WWDC study was to locate, drill, and test a well to supplement the Douglas water system with an additional supply. Unfortunately, the Sheep Mountain #2 test well did not yield the water quality or quantity the project team had hoped. In order to complete the Level II project, the WWDC is requesting further direction from the City of Douglas.

As you know, the WWDC began a Level II exploration well drilling program for Douglas in 2017. This project has faced significant obstacles, beginning with an unusually protracted easement and access process with a private landowner. The access issues were ultimately solved, and well drilling commenced during 2023. Unfortunately, the drilling contractor became stuck in the first borehole and had to abandon the efforts. Subsequently, the drilling contractor offset and with the assistance of a subcontractor, successfully reached the target depth early this year.

Weston Engineering (Weston) has supervised the Sheep Mountain #2 construction and testing process. At my request, Weston prepared a Technical Memorandum (attached) summarizing the results. The well produces about 200 gallons per minute. In addition, the water quality results show radionuclide concentrations which exceed the Environmental Protection Agency's Maximum Contaminant Levels for drinking water.

Weston's memo also presents several scenarios and conceptual-level cost estimates as alternatives for the future of the Sheep Mountain #2. If Douglas does not acquire the Sheep Mountain #2, there is no cost to Douglas. The cost for Douglas to purchase the well from the WWDC is $610,838. If Douglas pursues connecting the Sheep Mountain #2 to the water system, costs generally range from about $4 million to $15 million, depending on the actual project. Weston's memo concludes that the Sheep Mountain #2 project is not an economically viable source of additional water for Douglas.

The WWDC does not wish to maintain ownership of the Sheep Mountain #2 well. The WWDC's existing Easement and Access Agreement expires May 4, 2026. If the Sheep Mountain #2 test well has no future use for Douglas, the well will be slated for plugging and abandonment. In accordance with the terms of the WWDC's Easement and Access Agreement, I am required to give the landowner 60 days notification, and allow them the option to take over the well. If the landowner

does not take over the well, plugging must occur before the Agreement expires. Therefore, the WWDC project is under time constraints.

I hope the cost comparisons in Weston's memo are helpful for your consideration. If additional information is needed, or if you think a meeting would be beneficial, please let me know.

It is unfortunate the well-drilling project was not more successful. However, well drilling is not entirely predictable and the WWDC would like input from Douglas in order to conclude the Level II Project. If Douglas would like to purchase and utilize the Sheep Mountain #2, please let me know by September 1, 2025.

Sincerely Yours,

George Moser, P.G.

Technical Memorandum
Douglas Level II Water Supply Project
Sheep Mountain # 2 Well Drilling

Date: July 16, 2025

To: Mr. George Moser, P.G., WWDC Project Manager

Re: Dougals Level II Water Supply Project, Sheep Mountain # 2 well drilling project findings

Introduction

In 2017, Weston Engineering (Weston) was chosen by the Wyoming Water Development Commission (WWDC) to perform a Level II Test Well Study on behalf of the City of Douglas. This project included well siting studies, assessing multiple well sites, negotiating with landowners, handling multiple bidding processes, drilling, constructing, and testing the Sheep Mountain # 2 well. Details of the well drilling operation are included in this technical memorandum.

Well Drilling

In July 2023, Cahoy Pump Services (Cahoy) of Cheyenne, Wyoming, was awarded the bid for conducting the drilling, construction and testing of the Sheep Mountain # 2 well. From September 28, 2023 to May 23, 2024, Cahoy attempted to construct the well. However, their activities were ultimately unsuccessful in completing the well. On December 17, 2024, Cahoy entered into an agreement with White Mountain Operating of Pinedale, Wyoming to construct the Sheep Mountain # 2 well. White Mountain Operating began setting surface casing on December 22, 2024 and began well drilling operations on January 6, 2025. White Mountain Operations completed construction work on February 3, 2025. Cahoy conducted pump testing operations from March 12 to April 9, 2025. Construction and testing details are contained in Table 1 and are shown in Figure 1.

Testing Information:	Step Testing: 150, 200, 250, 300, 315 gpm (5 Hours Total) Constant Rate: 300 gpm (48 Hours)
Pump Information:	Grundfos 625S1000-5 pump and 125 HP motor Intake set at 608 feet
Construction Engineering:	Weston Engineering (Laramie, WY)
Drilling Contractor:	Cahoy Pump Services (Cheyenne, WY) / White Mountain Operating (Pinedale, WY)
Pump Testing Contractor:	Cahoy Pump Services (Cheyenne, WY)

Pump Testing

In order to obtain data to adequately characterize the hydraulic properties of the aquifer in the vicinity of the Sheep Mountain # 2 well and to determine the efficiency of the well, a step-rate test and a constant-rate test were conducted from March 24 to April 9, 2025. A Goulds 625S1000-5 pump and a 125 HP motor on 8-inch drop pipe were installed in the well with the pump intake at 605 feet. An In Situ Level Troll 700 pressure transducer was placed in the well at a depth of 602 feet along with two airlines. One airline was attached to a nitrogen tank and pressure regulator.

Step-Rate Test. On March 24, 2025, a step-rate test was conducted on the well to determine the efficiency of the well and the pumping rate for the constant-rate test. The well was pumped at five different rates, shown in Table 2, for 60 minutes at each rate. The maximum rate that the pump could sustain was approximately 315 gallons per minute (gpm) because of the friction losses through the drop pipe. The rate was measured with a 6-inch flow meter, and rates were controlled with a gate valve. Produced water was piped through 6-inch hose to the irrigation ditch north of the site. Pumping rate, drawdown, and specific capacity data from the step-rate test are summarized in Table 2. The specific capacity of the well ranged from 3.62 – 1.75 gallons per minute per foot of drawdown (gpm/ft) and averaged 2.70 gpm/ft.

Figure 2 summarizes the results of the step-rate test in a log-log plot of discharge versus drawdown. Drawdown-discharge data for a step-test in an ideal, 100 percent efficient well, plots as a straight line with a slope of one on a log-log plot (Kelly & Anderson, 1980). A line with a slope of one has been drawn on Figure 2. As these data show, the flow of water into the well becomes less efficient at increasing pumping rates.

Step-Rate Test Recovery. The water level in the Sheep Mountain # 2 well recovered to within 98 percent of the pre-test water level in approximately 12 minutes after concluding the step-rate test.

TABLE 2
SHEEP MOUNTAIN # 2
STEP-RATE TEST SUMMARY

PUMPING RATE (GPM)	DRAWDOWN AT END OF STEP (FEET)	SPECIFIC CAPACITY (GPM/FOOT)
150	41.4	3.62
200	62.2	3.21
250	94.5	2.64
300	131.5	2.28
315	180.0	1.75

Constant-Rate Test. Starting on April 7, 2025, a two-day constant-rate test was conducted on the Sheep Mountain # 2 well to determine the production capacity of the well. The drawdown and pumping rate were measured using the same equipment as the step-rate test and the drawdown is referenced to the static water level measured prior to the step-rate test. The constant-rate test started at a pumping rate of 300 gpm, which was maintained throughout the pump test. Figure 3 displays the results of the testing operations.

Figure 3 summarizes the results of the constant-rate test in a semi-log format developed by Cooper and Jacob (1946). Constant rate data are often plotted in this format because it allows the determination of aquifer parameters needed to predict long-term aquifer behavior. The water level drew down at a consistent rate throughout the test. From the drawdown data, the effective transmissivity of the aquifer in the vicinity of the well was determined to be approximately 39,600 gpd/ft.

Constant-Rate Test Recovery. At the conclusion of the two-day test, recovery data were collected for three hours. The recovery data are plotted on Figure 4 using the method developed by Cooper and Jacob (1946). The residual drawdown is plotted versus the ratio of T (time, in minutes, since the test was started)

to T' (time, in minutes, since the test was ended). The recovery data indicate a significant impact from the pump column draining after the pump was shut down. Thus, an effective transmissivity could not be calculated due to pump column interference. The water level in the well recovered to pre-pump levels within seven minutes of the pump being shut down. The recovery trend indicates that the well achieved a zero residual drawdown at a T/T' value of greater than one. This indicates that the cone of depression associated with the pump test did not intercept any aquifer boundaries or changes in aquifer storativity. The data also indicates that the test did not "mine" the aquifer.

Summary of Testing Results. A step-rate test was performed on the well to evaluate the efficiency of the flow of water to the well and to determine the pumping rate for the constant-rate test. The drawdown at the end of the final step was 180.03 feet. The results of this test indicate that the flow of water into the well became increasingly inefficient at increased pumping rates. It was determined from the step rate testing that a constant rate test could be conducted at 300 gpm. The 48 hour constant rate test was conducted at a rate of 300 gpm with a maximum drawdown of 159.1 feet. Drawdown data indicates that the effective transmissivity of the Paleozoic Aquifer system is approximately 39,600 gpd/ft.

The static water level was measured in the Sheep Mountain # 2 well on April 6, 2025, at 365 feet below ground level (bgl). The well has an available drawdown of 90 feet with a static water level of 365 feet. The observed specific capacity during testing, combined with the available drawdown of 90 feet, results in a sustainable production rate between 200 and 225 gpm.

Water Quality

The quality of the water produced from the Sheep Mountain #2 well during aquifer testing was assessed through laboratory analyses, as described in the following discussion.

Laboratory Analyses. Water samples were collected from the Sheep Mountain # 2 well on April 9, 2025, near the end of the two-day test for constituents required by the WWDC. A suite of chemical and microbiological analyses were performed on the samples by Energy Laboratories, Inc. of Casper, Wyoming.

Table 3 provides a summary of the water quality results from the WWDC water quality suites and compares the drinking water standards to the results of the laboratory analyses. The water produced by the Sheep Mountain # 2 well has a TDS concentration of approximately 342 (milligrams per liter) mg/L, and a pH of 7.70, which is within the secondary EPA drinking water standard. The laboratory analyses returned are within Primary and Secondary standards for EPA drinking water with the exceptions of: gross alpha, radium 226, and combined radium 226 and 228.

Gross Alpha: The US EPA maximum contaminant level (MCL) for gross Alpha in drinking water is 15 picocuries per liter (pCi/L). The gross alpha standard aids in identifying water source contamination with radioactive material, primarily from natural sources. The primary contributors to gross alpha are alpha-emitting radionuclides, such as radium 226 and radium 228. Laboratory analysis for gross alpha returned a result of 46.40 pCi/L and an adjusted gross alpha of 33.40 pCi/L, approximately three times the MCL for gross alpha.

Radium 226: The EPA MCL for radium 226 is 5.0 pCi/L. Water from Sheep Mountain # 2 contains a radium 226 concentration of 9.70 pCi/L, nearly twice the MCL. The primary health risks from high radium 226 exposure are: cancer, organ damage, birth defects and other health issues.

Combined Radium 226 and Radium 228: The EPA established MCL for combined radium 226 + 228 is 5.0 pCi/L. The Sheep Mountain # 2 well water contains a concentration of 10 pCi/L, primarily driven by the 9.70 pCi/L concentration of radium 226, with a minor contribution of 0.40 pCi/L concentration of radium 228.

Bacteriological: The water samples for bacteriological constituents were negative for the presence of total coliform bacteria and *E. coli*, which indicates that the water is safe from bacteriological pathogens. Iron related bacteria were present in the water samples with a concentration of 35,000 CFU/mL. While this

concentration is elevated, it is not surprising to have the bacteria present given the new casing. As the food source is removed by the oxidation of the surface of the iron casing, the concentration will likely diminish.

Water Treatment Options:

Based on the observed water quality results from the sampling of Sheep Mountain # 2, a treatment method should be used to address the high gross alpha and radium 226 concentrations present in the water.

Treatment Option # 1: Water from Sheep Mountain #2 could be mixed with water from Sheep Mountain #1 in a ratio of 97% Sheep Mountain #1 water and 3% Sheep Mountain #2 water. Water generated from Sheep Mountain #1 has a gross alpha concentration of 14 pCi/L. The 97:3 ratio would result in an expected gross alpha concentration of 14.97 pCi/L. If the City of Douglas wants a larger "safety" factor, this mixture ratio could be changed to contain less Sheep Mountain #2 water.

Treatment Option # 2: Water from Sheep Mountain # 2 could be blended with water from Little Box Elder Spring at a ratio of 79% Little Box Elder Spring water and 21% Sheep Mountain # 2 water. The water from Little Box Elder Spring has a gross alpha concentration of 6.3 pCi/L. The 79:21 mix ratio would yield a predicted gross alpha concentration of 14.72 pCi/L. As stated in Treatment Option # 1, if the City of Douglas desires a larger “safety” factor, this mix ratio can be adjusted to contain less Sheep Mountain # 2 water, thus lowering the gross alpha in the finished water.

Treatment Option # 3: This option would consist of a package treatment system designed by Xylem Water Solutions, which would consist of a 5-micron prefilter and two tanks filled with a resin material for ion exchange. Water produced by this system would result in a gross alpha concentration below the MCL of 15 pCi/L.

Selection of Alternatives

The results of the drilling and testing program for Sheep Mountain # 2 well, which was drilled as part of this project, indicate that the well could yield approximately 200 gpm of high gross alpha water to the Douglas drinking water system. The following five alternatives for the supply of water to the City of Douglas customers were identified by Weston:

1. Do Nothing
2. Purchase Sheep Mountain # 2
3. Dilution of water with Sheep Mountain # 1 well water
4. Dilution of water with Little Box Elder Spring water
5. Construct treatment at Sheep Mountain # 2

The options, and their advantages and disadvantages, are discussed in the following sections.

Alternative No. 1 – Do Nothing

The Do Nothing Alternative assumes that the City of Douglas will continue to operate much as it has. The water system will continue to be supplied by the Sheep Mountain # 1 well, the Little Box Elder Spring, and the surface water treatment plant. No additional capital costs will be incurred by the City in the immediate future if the Do Nothing option is selected.

The advantages of implementing Alternative No. 1 include:

- No additional costs will be incurred in the immediate future.

The disadvantages of implementing Alternative No. 1 include:

- Water supply shortfalls will occur when the infrastructure ages.

- Per the existing access agreement with Bed Tick Ranch, the Wyoming Water Development Commission is required to notify Bed Tick Ranch of the City of Douglas's rejection of the well. This will allow Bed Tick Ranch to acquire the well for its own use.

Alternative No. 2 – Purchase Sheep Mountain # 2

Under this alternative, the City of Douglas would acquire Sheep Mountain # 2 from the Wyoming Water Development Commission.

The advantages of implementing Alternative No. 2 include:

- The City of Douglas retains all rights to Sheep Mountain # 2.
- Allows the City to develop Sheep Mountain # 2 in the future.

The disadvantages of implementing Alternative No. 2 include:

- The cost of acquiring Sheep Mountain # 2.

Alternative No. 3 – Dilution of water with water from Sheep Mountain # 1

Under this alternative, the City of Douglas would acquire the Sheep Mountain # 2 well, equip the well for pumping, and connect the well to the pipeline and tank near Sheep Mountain # 1. This option would require well water produced at Sheep Mountain # 2 to be diluted with 97% Sheep Mountain # 1 water. The adjudicated production rate of Sheep Mountain # 1 is 1,200 gpm; this production rate would allow for a maximum production rate from Sheep Mountain # 2 of 36 gpm. If the production rates decline in Sheep Mountain # 1, the production rate of Sheep Mountain # 2 would have to be decreased; for example, 1,000 gpm would allow for 30 gpm from # 2, and 900 gpm would allow for 27 gpm from # 2. Selection of this option may require the pipeline between Sheep Mountain # 1 and the tank to be upsized from 8-inch to 10-inch to accommodate the increase in production; additionally, approximately one mile of the Sheep Mountain Pipeline may need to have an increase in line size to accommodate the increased flow.

The Advantages of implementing Alternative No. 3 include:

- The City of Douglas retains all rights to Sheep Mountain # 2.
- Allows the City to develop Sheep Mountain # 2.
- Minor increase in water supply to the Douglas water system.

The disadvantages of implementing Alternative No. 3 include:

- Increased cost associated with construction activities
- Increased complexity in system operation
- Potential future issues with mix ratios if regulatory standards change

Alternative No. 4 – Dilution of water with water from the Little Box Elder Spring

Under this alternative, the City of Douglas would acquire the Sheep Mountain # 2 well, equip the well for pumping, and connect the well to the Little Box Elder Spring line near the west side of Douglas. This option would require well water produced at Sheep Mountain # 2 to be diluted with 79% Little Box Elder Spring water. Example mixing ratios would be: 1,000 gpm from the spring and 210 gpm from # 2, 800 gpm from the spring and 168 gpm from # 2, or 400 gpm from the spring and 84 gpm from # 2. Selection of this option would require a pipeline between Sheep Mountain # 2 and the connection to the Little Box Elder Spring line, near the west side of Douglas. At the point of connection with the Little Box Elder Spring line, a vault would be installed to house the controls and mixing valves.

The Advantages of implementing Alternative No. 4 include:

- The City of Douglas retains all rights to Sheep Mountain # 2.
- Allows the City to develop Sheep Mountain # 2.
- Minor increases in water supply to the Douglas water system.

The disadvantages of implementing Alternative No. 4 include:

- Increased cost associated with construction activities
- Increased complexity in system operation
- Potential future issues with mix ratios if regulatory standards change

Alternative No. 5 – Construct a Treatment System at Sheep Mountain # 2

Under this alternative, the City of Douglas would acquire the Sheep Mountain # 2 well, equip the well for pumping, and construct treatment at the Sheep Mountain # 2 site. The Sheep Mountain #2 well could be connected to the pipeline and tank near Sheep Mountain # 1. Much like Alternative No. 3, selection of this option may require the pipeline between Sheep Mountain # 1 and the tank to be upsized from 8-inch to 10-inch to accommodate the increase in production; additionally, approximately one mile of the Sheep Mountain Pipeline may need to have an increase in line size from 12-inch to 16-inch to accommodate the increased flow.

The Advantages of implementing Alternative No. 5 include:

- The City of Douglas retains all rights to Sheep Mountain # 2.
- Allows the City to develop Sheep Mountain # 2.
- Increases water supply to the Douglas water system by approximately 200 gpm.
- No need for complicated mixing; treatment would occur at Sheep Mountain # 2

The disadvantages of implementing Alternative No. 5 include:

- Increased cost associated with construction activities
- Increased complexity in system operation
- Continuing costs associated with treatment system maintenance

CONCEPTUAL-LEVEL COST ESTIMATES

Alternative No. 1 – Do Nothing

Alternative No. 1 consists of not connecting the Sheep Mountain # 2 to the water system. Although there are no immediate costs for the implementation of Alternative No. 1, not acquiring the well will likely result in the loss of control of Sheep Mountain # 2.

Alternative No. 2 – Purchase Sheep Mountain # 2

The WWDC does not require payment for logging and testing costs associated with the well construction and testing program. The construction costs and purchase cost of the well would be approximately $610,838.

The costs for Alternative No. 2 are expressed in 2025 dollars. This option would require the City of Douglas to purchase the well and secure easements and access to Sheep Mountain # 2. No further action would be required at this time on behalf of the City of Douglas.

Alternative No. 3 – Dilution of Water with Sheep Mountain # 1 Water

Under this option, purchase of the well would be required; the attributable construction costs for the well would be approximately $610,838. This alternative would require Sheep Mountain # 2 to be equipped with pumping equipment for the production of water; conceptual level cost estimates for this work are outlined in Table 4. In addition to the equipping of Sheep Mountain # 2, water conveyance would be required to Sheep Mountain # 1. Table 5 presents conceptual-level cost estimates for Alternative No. 3, including the well purchase, well equipping, construction of a building at Sheep Mountain # 2 and pipeline modifications required to accommodate increases in flow rates. The total estimated project cost for the construction of Alternative No. 3 is $4,093,979.

Alternative No. 4 – Dilution of Water with Little Box Elder Spring Water

Under this option, purchase of the well would be required; the attributable construction costs for the well would be approximately $610,838. This alternative would require Sheep Mountain # 2 to be equipped with pumping equipment for the production of water; conceptual level cost estimates for this work are outlined in Table 4. In addition to the equipping of Sheep Mountain # 2, water conveyance would be required to the Little Box Elder Spring Line. Table 6 provides conceptual-level cost estimates for Alternative No. 4, including the well purchase, well equipping, construction of a building at Sheep Mountain # 2, and construction of a pipeline for water conveyance to the Little Box Elder Spring Line. The total estimated project cost for the construction of Alternative No. 4 is $15,530,745.

Alternative No. 5 – Water Treatment at Sheep Mountain # 2

Selection of Alternative No. 5 would require the purchase of the well; the attributable construction costs for the well would be approximately $610,838. This alternative would require Sheep Mountain # 2 to be equipped with pumping equipment for the production of water; conceptual level cost estimates for this work are outlined in Table 4. In addition to the equipping of Sheep Mountain # 2, an ion exchange treatment system would be constructed inside the Sheep Mountain # 2 well building. Conceptual level cost estimates for the construction of this system are included in Table 7. This alternative would require a connection to the water system to be made at Sheep Mountain # 1. As outlined previously, modifications to the pipeline between Sheep Mountain # 1 and the tank, and changes to the Sheep Mountain Pipeline would be required to accommodate the increase in production. Table 8 summarizes the estimated costs for this work at $4,689,416 in 2025 dollars.

PREFERRED ALTERNATIVE

Weston remains committed to completing this project for the Wyoming Water Development Commission and the City of Douglas. The goal of this project was to locate, drill, construct, and test a water supply well to increase water production for the City of Douglas. Based on the information in this technical memorandum, Weston believes that this project has not succeeded in finding an additional groundwater source. Currently, with a low production rate of about 200 gpm and knowing that the water does not meet primary drinking water standards, along with the high costs of transporting the water after treatment, this project does not seem to be financially viable. Weston is seeking guidance from the Wyoming Water Development Commission and the City of Douglas on how to conclude this project.

RESOLUTION NO. 1973

A RESOLUTION ADOPTING AN AMENDMENT TO THE GUIDELINES FOR CONDUCT OF ELECTED OFFICIALS OF THE CITY OF DOUGLAS

WHEREAS, in 2003, the Governing Body of the City of Douglas, Wyoming adopted guidelines for elected officials pertaining to conduct and describing behavior, manners and courtesies that are suitable for various occasions, a valuable tool which may be amended from time to time, and

WHEREAS, as a matter of public interest, such guidelines make public meetings and the process of the governance run more smoothly; and

WHEREAS, the Governing Body desires to update the adopted policies and procedures to include additional language pertaining to gifts and gratuities; and

WHEREAS, the proposed revisions to the Guidelines for Elected Officials marked "Exhibit A" is attached hereto and incorporated herein.

NOW THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF DOUGLAS, WYOMING, that:

Section 1. The foregoing recitals are incorporated in and made a part of this resolution by this reference.

Section 2. The Governing Body hereby adopts the proposed amendments to the Guidelines for Elected Officials which is marked Exhibit A and attached herein, to become effective immediately upon approval and adoption by the Governing Body.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF DOUGLAS, WYOMING, that the attached Guidelines for Elected Officials of the City of Douglas are hereby adopted.

PASSED, APPROVED AND ADOPTED this 15 day of August; 2018.

CHAPTER VII. Conditions of Employment.

G. Acceptance of Gifts.

Employees or members of their immediate families shall not accept any gift, loan, service, certificate, plaque, commemorative token, gratuity, special discount, or item of value in excess of two hundred fifty dollars ($250.00) from any person, firm or corporation. The following items are excluded from this policy:

1. Items of printed, educational or promotional material;
2. Food or beverage;
3. Travel registration, lodging and items from raffles for any conference or meeting while attending in their official capacity.

All travel expenses, such as meals, lodging, and travel, shall adhere to policies and procedures as adopted by the City of Douglas.

Conflicts of Interest.

Employees shall not enter into any financial or other relationship with any agency, private business or other organization which would constitute a conflict of interest with their City employment or create the appearance of impropriety. Employees shall not permit themselves to be placed under any personal or other obligation which could lead any person, group, or organization to expect official favors. If an employee has questions about what constitutes a conflict of interest, the employee may ask his or her immediate supervisor, Department Head, the Human Resource Department, or the City Administrator.

EXHIBIT A
GUIDELINES FOR ELECTED OFFICIALS OF THE CITY OF DOUGLAS

Overview of Roles and Responsibilities

This document is designed to describe the manner in which Council members should treat one another, City staff, constituents, and others they come into contact with in representing the City of Douglas. It attempts to define more clearly the behavior, manners and courtesies that are suitable for various occasions and is designed to make public meetings and the process of governance run more smoothly.

All members of the City Council, including the Mayor and Mayor pro tem, have equal votes and voice. With the exception of the Mayor's veto power, no Council member has more power than any other Council member, and all should be treated with equal respect.

All Council members should:

- Fully participate in City Council meetings and other public forums while demonstrating respect, kindness, consideration and courtesy to others.
- Prepare in advance of Council meetings and be familiar with issues on the Agenda.
- Represent the City at ceremonial functions as requested.
- Stay focused and act efficiently during public meetings.
- Serve as a model of leadership to the community.
- Provide contact information with the City Administrator in case an emergency or urgent situation arises while the Council member is out of town.
- Demonstrate honesty and integrity in every action and statement.

City Council Meeting Protocol

Meeting Chair. The Mayor will chair official meetings of the City Council, unless the Mayor pro tem or another Council member is designated in the Mayor's absence. The Mayor shall:

- Maintain order, decorum and the fair and equitable treatment of all speakers.
- Keep discussion and questions focused on specific agenda items under consideration.
- Make parliamentary rulings with advice, if requested, from the City Attorney.

Use Formal Title.

- The Council and staff should refer to one another formally during public meetings as Mayor, Councilmember, City Administrator, etc., followed by the individual's last name.
- Practice civility and decorum in discussions and debate. Shouting or physical action that could be construed as threatening will not be tolerated.
- Honor the role of the chair in maintaining order.
- Avoid personal comments that could offend other Council members.

Dress Code.

- City Council and staff should wear appropriate attire to public meetings, which is generally defined as business casual. T-shirts, sandals, shorts and the like would not be appropriate attire.

Non-Agenda Items. During a designated period of the Agenda, citizens, Council members, and staff may bring forth issues or questions that are not on the meeting's agenda. Topics should be items requiring action by the City Council, study issues for future consideration, and requests for information. Each speaker will be limited to five minutes.

Do Not Copy

Public Hearings. In a public hearing, the staff report will be the first part of the discussion as it is an impartial and overall summary of the item being considered. The applicant shall have the right to speak next. Further staff explanations may be called for either before or after the applicant speaks. Speakers representing either pro or con points of view will be allowed to follow. The Chair will determine how much time will be allowed for each speaker, with three to five minutes the standard time granted. The applicant will be allowed to make closing comments.

Council members will not express opinions during the public hearing portion of the meeting,

Do Not

except to ask pertinent questions of the speaker or staff. "I think," and "I feel" comments by Council members are not appropriate until after the close of the public hearing. Council members should refrain from arguing or debating with the public during a public hearing and shall always show respect for different points of view.

- Be fair and equitable in allocating public hearing time to individual speakers. No speaker should be turned away unless he or she exhibits inappropriate behavior. Each speaker should only speak once during a public hearing, unless the Council requests additional clarification. After the close of a public hearing, no more public testimony will be accepted unless the Chair reopens the public hearing for a limited and specific purpose.

Council Conduct with the Public

In Public Meetings. Making the public feel welcome is an important part of the democratic process. No signs of partiality, prejudice or disrespect should be evident on the part of individual Council members toward an individual participating in a public forum. Every effort should be made to be fair and impartial in listening to public testimony.

- Be welcoming to speakers and treat them with care and gentleness. The way that Council treats people during public hearings can do a lot to make them relax or to push their emotions to a higher level of intensity.

- Engage in active listening. It is disconcerting to speakers to have Council members not look at them when they are speaking. It is fine to look down at documents or make notes but reading for a long period of time or gazing around the room gives the appearance of disinterest. Be aware of facial expressions, especially those that could be interpreted as "smirking", disbelief, anger or boredom.

- Ask for clarification but avoid debate and argument with the public. Only the Chair, not individual Council members, can interrupt a speaker during a presentation. However, a Council member can ask the Chair for a point of order if the speaker is off the topic or exhibiting behavior or language a Council member finds disturbing.

- If speakers become flustered or defensive by Council questions, it is the responsibility of the Chair to calm and focus the speaker and to maintain the order and decorum of the meeting. Questions by Council members to members of the public testifying should seek to clarify or expand information. It is never appropriate to belligerently challenge or belittle the speaker. Council members' personal opinions or inclinations about upcoming votes should not be revealed until after the public hearing is closed.

- No personal attacks of any kind, under any circumstance. Council members should be aware that their body language and tone of voice, as well as the words they use, can appear to be intimidating or aggressive.

- Make no promise on behalf of the Council. Council members will frequently be asked to explain a Council action or to give their opinion about an issue as they meet and talk with constituents in the community. It is appropriate to give a brief overview of City policy and to refer to City staff for further information. It is inappropriate to overtly or implicitly promise Council action, or to promise City staff will do something specific (e.g. repair a pothole, plant new flowers, approve a project, etc.).

- Make no personal comments about other Council members. It is acceptable to publicly

Do Not Copy

- Make no personal comments about other Council members. It is acceptable to publicly disagree about an issue, but it is unacceptable to make derogatory comments about other Council members, their opinions and actions.

Council Conduct with City Staff

Governance of the City relies on the cooperative efforts of elected officials who set policy and City staff who implement and administer the Council's policies. Therefore, every effort should be made to be cooperative and show mutual respect for the contributions made by each individual for the good of the community.

Do Not

- Treat all staff as professionals. Clear, honest communication that respects the abilities, experience and dignity of each individual is expected.

- Limit contact to specific City staff. Questions of City staff and/or requests for additional background information should be directed only to the City Administrator or appropriate Department Head(s). Requests for follow-up or direction to staff should be made only through the City Administrator, when appropriate. When in doubt about what staff contact is appropriate, Council members should ask the City Administrator for direction. Materials supplied to a Council member in response to a request will be made available to all members of the Council so that all have equal access to information.

- Never publicly criticize an individual employee. Council should never express concerns about the performance of a City employee in public, to the employee directly, or to the employee's supervisor. Comments about staff performance should be made to the City Administrator through private correspondence or conversation.

Staff Support. Routine secretarial support will be provided to all Council members. All mail for Council members will be opened by the City Clerk's office unless other arrangements are requested. Mail addressed to the Mayor is reviewed first by the City Administrator, who notes suggested action and/or follow-up items.

Requests for additional staff support, even in high priority or emergency situations, should be made to the City Administrator as he/she is responsible for allocating City resources in order to maintain a professional, well-run City government.

Council Conduct with Boards and Commissions

The City has established several boards and commissions as a means of gathering more community input. These citizens are a valuable resource to the City's leadership and should be treated with appreciation and respect.

- If attending a Board or Commission meeting, be careful to only express personal opinions. Council members may attend any Board or Commission meeting, which are always open to any member of the public. However, they should be sensitive to the way their participation. could be viewed as unfairly affecting the process. Any public comments by a Council member at a Board or Commission meeting should be clearly made as individual opinion and not a representation of the feelings of the entire City Council.

- Limit contact with Board and Commission members to questions or clarification. It is highly inappropriate for a Council member to contact a Board or Commission member to lobby on behalf of an individual, business or developer. However, it is acceptable for Council members to contact Board or Commission members in order to clarify a position taken by the Board or Commission so long as the Council member is respectful of the decision made by the Board or Commission.

- Remember that Boards and Commissions serve the community and not individual Council members. Board and Commission members do not report to individual Council members, nor should Council members feel that they have the power or right to threaten Board and Commission members with removal if they disagree about an issue. Appointment and reappointment to a Board or Commission should be based on such criteria as expertise, ability to work with staff and the public, commitment to fulfilling official duties, and

DRAFT COPY

Council Conduct with the Media

Council members may be contacted by the media for background and quotes.

- The best advice for dealing with the media is to never go "off the record". Most members of the media represent the highest levels of journalistic integrity and ethics and can be trusted to keep their word. But one bad experience can be catastrophic. Words that are not

Do No

said cannot be quoted.

- The Mayor or City Administrator is the official spokesperson designated to represent the City's position. If an individual Council member is contacted by the media, the Council member should be clear about whether their comments represent the official City position or a personal viewpoint.

- Choose words carefully and cautiously. Comments taken out of context can cause problems. Be especially cautious about humor, sardonic asides, sarcasm, or word play.

Sanctions

- Public Disruption. Members of the public who do not follow proper conduct after a warning in a public hearing may be barred from further testimony at that meeting or removed from the Council Chambers.

- Inappropriate staff behavior. Council members should refer to the City Administrator any City staff who do not follow proper conduct in their dealings with Council members, other City staff, and/or the public. These employees may be disciplined in accordance with standard City procedures for such action.

- Council members behavior and conduct. City Council members who intentionally and repeatedly do not follow proper conduct may be reprimanded by the Council. Serious infractions could lead to conflict of interest violations, as defined by Wyoming State Statutes.

Acceptance of gifts by Council members

Council members and members or their immediate families shall not accept any gift, loan, service, certificate, plaque, commemorative token, gratuity, special discount, or item of value more than two hundred fifty dollars ($250.00) from any person, firm or corporation. The following items are excluded from this policy:

1. Items of printed, educational or promotional material;
2. Food or beverage;

3.Travel registration, lodging and items from raffles for any conference or meeting while attending in their official capacity.

All travel expenses, such as meals, lodging, and travel, shall adhere to policies and procedures as adopted by the City of Douglas.

Conflicts of Interest.

Council members shall not enter into any financial or other relationship with any agency, private business or other organization which would constitute a conflict of interest with their elected position or create the appearance of impropriety. Council members shall not permit themselves to be placed under any personal or other obligation which could lead any person, group, or organization to expect official favors. If a Council member has questions about what constitutes a conflict of interest, he or she may ask the City Attorney or the City Administrator.

Principals of Proper Conduct

Proper conduct is...

- Keeping promises.
- Being dependable.
- Participating and being available.

Do Not Copy

Principals of Proper Conduct

Proper conduct is...

- Keeping promises.
- Being dependable.
- Participating and being available.
- Demonstrating patience.
- Showing empathy.
- Listening attentively.
- Studying thoroughly.
- Keeping integrity intact.
- Modeling a professional manner.

Proper conduct is *not* ...

- Showing antagonism or hostility.

Do Not C

- Deliberately lying or misleading.
- Speaking recklessly.
- Spreading rumors.
- Stirring up bad feelings.
- Acting in a self-righteous manner.

It all comes down to respect

Respect for one another as individuals...
Respect for the validity of different opinions...
Respect for the democratic process ...
Respect for the community that we serve.

Item
Resolution 2025-21: Conditional Use Permit Short Term Rental 331 N. 3rd Street

Responsible Staff Contact
Heidi McCullough

Recommendation
Recommend approval of Resolution 2025-21

Executive Summary
Application by Trent and Mariah Boner for a conditional use permit to allow the short-term rental of the dwelling at 331 N. 3rd Street in an R-2 Medium Density Residential Zone with staff recommendations.

Background
HISTORY: This property was part of the original town site platted in 1886. By 1903 the current structure is shown on the Sanborn maps and has remained unchanged throughout its history. This property is a contributing property to the Douglas Residences Historic District as the Werner House. The applicant is planning to rent the home as a short-term rental year-round. It is included in the Douglas Historic Residences District due to its architecture as a distinctive example of Colonial Revival and Shingle Style design attributes, and its link to the Edmund and Margaret Werner family who lived there between 1927 and 1965.

DOUGLAS CITY COUNCIL
STAFF REPORT
JULY 28, 2025

331 N 3RD STREET
SHORT-TERM RENTAL – CONDITIONAL USE PERMIT

CASE NUMBER: CUP 03-25

PREPARED BY: Heidi McCullough, Planning Technician

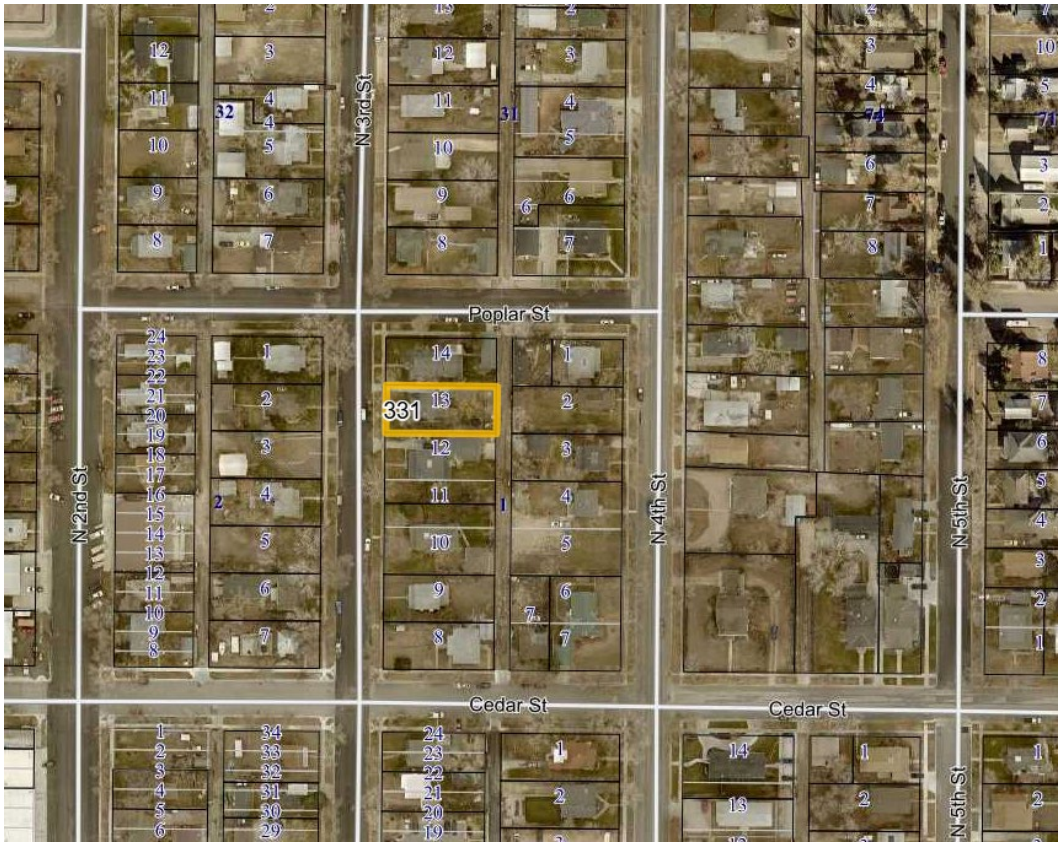
MEETING DATES: July 21, 2025 – Planning and Zoning Commission
July 28, 2025 – City Council

REQUEST: Conditional Use Permit, R-2 Medium Density Residential Zone

PURPOSE: To operate a Short-Term Rental (Airbnb).

RECOMMENDATION: The Community Development Department recommends approval of the conditional use permit to allow the short-term rental of the dwelling at 331 N. 3rd Street in an R-2 Medium Density Residential Zone with staff recommendations.

VICINITY MAP:



OWNER: Trent & Mariah Boner
P.O. Box 1241
Douglas, WY 82633

LOCATION:

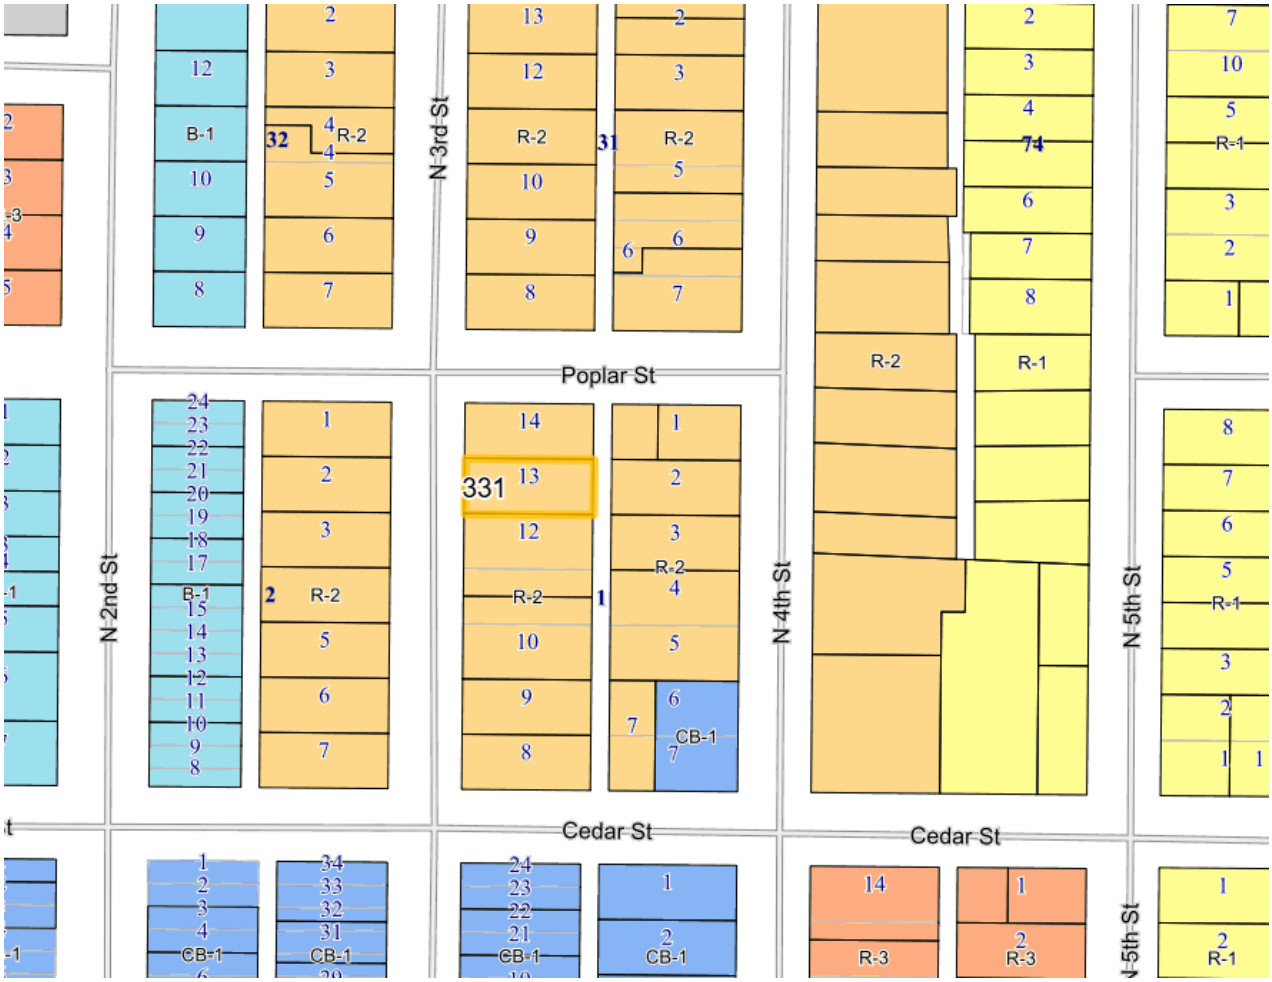
(1) Legal Description: Original Town of Douglas, Block 1, Lot 13

(2) General Location: The subject property is located in the middle of the block on the east side of North 3rd Street between Poplar Street and Cedar Street.

(3) Address: 331 N. 3rd Street

LOT SIZE: 0.17 Acres

ZONING: R-2 Medium Density Residential Zone



ZONING DATA: The property is currently zoned R-2 Medium Density Residential Zoning District. This district is "*intended to provide for the development of single-family and duplex or townhouse dwellings.*" Per the Douglas Municipal Code, short-term rentals are permitted as a Conditional Use in an R-2 zone.

Council approval of a conditional use permit for this type of use is a requirement of the Unified Land Development Code due to its possible impact on neighboring properties.

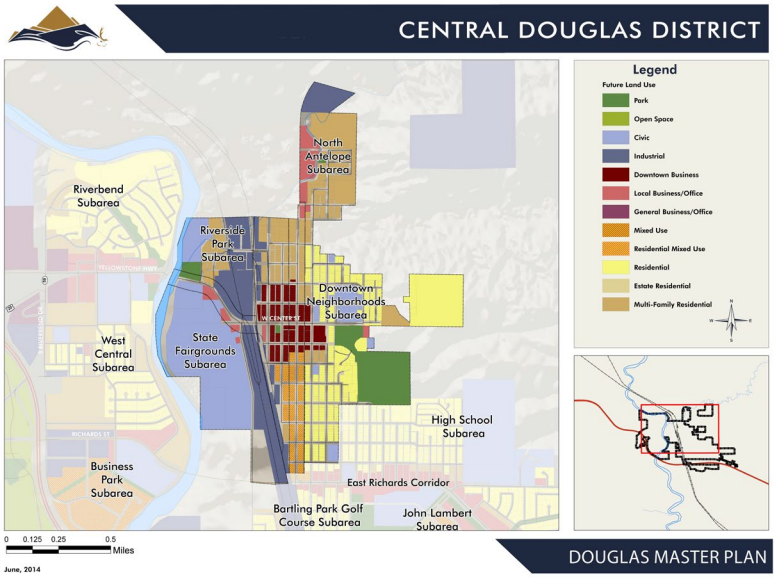
EXISTING LAND USE: Single Family Residential

PROPOSED USE: Short-term rental

SURROUNDING LAND USE:		**ZONING**	**ANNEXATION STATUS**
North:	Residential	R-2	City
South:	Residential	R-2	City
East:	Residential	R-2	City
West:	Residential	R-2	City

HISTORY: This property was part of the original town site platted in 1886. By 1903 the current structure is shown on the Sanborn maps and has remained unchanged throughout its history. This property is a contributing property to the Douglas Residences Historic District as the Werner House. The applicant is planning to rent the home as a short-term rental year-round. It is included in the Douglas Historic Residences District due to its architecture as a distinctive example of Colonial Revival and Shingle Style design attributes, and its link to the Edmund and Margaret Werner family who lived there between 1927 and 1965.

2014 MASTER PLAN:
The property is designated as part of the Downtown Neighborhood subarea of the Central Douglas District. "*This area can be considered an extension of Downtown. Its future desired condition combines the preservation of adjacent historic neighborhoods with new medical facilities.*"



The request conforms to the Douglas Master Plan.

STAFF RECOMMENDATION: The Community Development Department recommends approval of the conditional use permit to allow the short-term rental of the dwelling at 331 N. 3rd Street in an R-2 Medium Density Residential Zone with the following staff recommendations:

1. The conditional use permit to provide short-term rental at the residence is specific to Trent and Mariah Boner. If this property owner and/or agent, in the future, cease operation or moves the facility to another location, the Conditional Use Permit shall be null and void for the subject property.
2. The use shall be in compliance with City requirements for short-term rentals at all times.

PLANNING & ZONING COMMISSION RECOMMENDATION: At their regular meeting on July 21, 2025, the Douglas Planning & Zoning Commission voted unanimously to recommend approval of the conditional use permit to allow the short-term rental of the dwelling at 331 N. 3rd Street in an R-2 Medium Density Residential Zone with the following staff recommendations:

3. The conditional use permit to provide short-term rental at the residence is specific to Trent and Mariah Boner. If this property owner and/or agent, in the future, cease operation or moves the facility to another location, the Conditional Use Permit shall be null and void for the subject property.
4. The use shall be in compliance with City requirements for short-term rentals at all times.

STATE OF WYOMING **CITY OF DOUGLAS** **CONVERSE COUNTY**

RESOLUTION NO. 2025-21

A RESOLUTION AUTHORIZING A CONDITIONAL USE PERMIT TO TRENT AND MARIAH BONER TO ALLOW THE SHORT-TERM RENTAL OF A DWELLING IN A R-2 MEDIUM DENSITY RESIDENTIAL ZONING DISTRICT AT 331 NORTH 3RD STREET (ORIGINAL TOWN OF DOUGLAS, BLOCK 1, LOT 13).

WHEREAS, Trent and Mariah Boner wish to provide short-term rental of the dwelling at 331 North 3rd Street; and

WHEREAS, the proposed use adheres to the Douglas Municipal Code, pertaining to the allowance of conditional use permits in an R-2 Medium Density Residential Zone for conditional residential uses; and

WHEREAS, the Community Development staff and the Douglas Planning and Zoning Commission have reviewed the application to ensure that it shall have no adverse impact upon the welfare of the public; and

WHEREAS, notice has been duly given and a public hearing held before the Douglas Planning and Zoning Commission on April 21, 2025, where there was no public comment in opposition to the application; and the Planning and Zoning Commission voted unanimously to recommend approval of the application to the Douglas City Council; and

WHEREAS, the conditional use permit to provide short-term rental of the dwelling is specific to Trent and Mariah Boner. If this property owner and/or agent, in the future, ceases operation or moves the facility to another location, the Conditional Use Permit shall be null and void for the subject property; and

WHEREAS, the use shall be in compliance with City requirements for short-term rentals at all times; and

WHEREAS, Municipal Code requires that all conditional use permits be approved by the City Council.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DOUGLAS, WYOMING, that Trent and Mariah Boner are granted a conditional use permit to provide short-term rental of the dwelling in an R-2 Medium Density Residential Zone at 331 North 3rd Street (Original Town of Douglas, Block 1, Lot 13)

PASSED, APPROVED, AND ADOPTED this 28th day of July 2025.

_____
Kim Pexton, Mayor

CHARTER ORDINANCE NO. 1060

A Charter Ordinance of the City of Douglas, Wyoming, Repealing the Application of Wyoming Statutes §§ 12-4-201(d) and § 12-4-413(v) and (vi), and Related Statutory Limitations Within the Corporate Limits of the City, and Authorizing the Governing Body to Determine the Number of Retail and Bar & Grill Liquor Licenses to Be Issued Based on Local Conditions and Policy

WHEREAS, the City of Douglas, Wyoming, is a home rule municipality governed by Article 13, Section 1(b) of the Wyoming Constitution, which grants cities the power to determine local affairs by charter ordinance; and

WHEREAS, W.S. § 12-4-201(d) and W.S. § 12-4-413(v) and (vi) impose population-based quota formulas on retail and bar & grill liquor licenses, respectively, resulting in widely inconsistent allocations across similarly situated communities—e.g., Glenrock, Wheatland, Casper and Douglas all receive different license counts based solely on minor variations in population, despite similar or greater demands driven by regional workforce, tourism, and economic activity; and

WHEREAS, these quota systems fail to reflect local realities such as transient population surges, energy-sector activity, tourism growth, or regional service roles that swell a community's effective population beyond census counts; and

WHEREAS, the arbitrary and outdated nature of the quota system has created a patchwork of inequities across the state, where some communities are unable to meet market demand while others underutilize license allocations—impeding local economic development and stifling entrepreneurship; and

WHEREAS, the Governing Body of the City of Douglas finds that the number, location, and character of liquor license establishments within the City—including retail and bar & grill licenses—are matters of distinctly local concern, requiring flexibility to respond to community needs and priorities; and

WHEREAS, the above statutes are not uniformly applicable to all cities and towns in the State of Wyoming because the statutes treat cities and towns differently based upon population; and

WHEREAS, the Governing Body seeks to responsibly restore local authority in a manner that balances economic opportunity, community values, and the City's ongoing commitment to public health, safety, and responsible alcohol regulation;

CHARTER ORDINANCE NO. 1060

Now, Therefore, Be It Ordained by the Governing Body of the City of Douglas, Wyoming:

Section 1: Repeal of Statutory Quota Provisions
Pursuant to Article 13, Section 1(b) of the Wyoming Constitution, the City of Douglas hereby exempts itself from the provisions of the following statutes limiting the number of particular liquor licenses the City may issue:

a. Wyoming Statute § 12-4-201(d) – population-based quota formula for retail liquor licenses
b. Wyoming Statute § 12-4-413(v) and (vi) – population-based quota formula for bar & grill liquor licenses

Section 2: No Right to License Created
This Charter Ordinance does not create a right to any license, nor require the City to issue a license upon application. All license decisions shall remain discretionary and subject to local policies, procedures, and Council judgment.

Section 3: Effect on Other Statutory Provisions
This ordinance shall not modify or repeal other applicable Wyoming statutes governing license qualifications, operational requirements, disciplinary procedures, enforcement, transfer or revocation. It solely affects the number and local authority to issue licenses.

Section 4: Publication and Effective Date
This Charter Ordinance shall be published in full in the official newspaper of the City of Douglas, Wyoming once each week for two consecutive weeks. It shall take effect sixty-one (61) days after the date of final publication, provided that no referendum petition is filed with the City Clerk within thirty (30) days following the final publication, pursuant Article 13, Section 1(c) of the Wyoming Constitution.

PASSED on 1st reading the _____ day of July, 2025.

PASSED on 2nd reading the _____ day of July, 2025.

PASSED, APPROVED AND ADOPTED on 3rd and final reading this _____ day of July, 2025.

One New 2025 Landfill Compactor

Responsible Staff Contact
Toby Porter, John Harbarger, Clint Nystul

Recommendation
Accept the bid from Wyoming Machinery Company in the amount of $654,615.16 as presented and furthermore authorize the City Manager to sign all associated documents.

Executive Summary
The proposed purchase of a new Landfill Compactor.
Proposed replacement with a budget of $684,000.00.

One bid was received: Wyoming Machinery Co.- $654,615.60

No other bids were received

Background
The City of Douglas Landfill's Construction and Demolition pit is growing faster than expected. At this rate we will have to find a new location for this, but purchasing a compactor will increase the use of the existing pit and extend the life of it.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1st, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One New 2025 Landfill Compactor** will be received at Douglas City Hall, 101 N. 4th Street, until **2:30 PM** MST on **July 23rd 2025** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4th St.,** or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form and accompanied by bid security payable to the City of Douglas as prescribed in the bidding documents in an amount not less than five percent (5%) of the amount bid. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.
/s/ Devon Litzsinger, Deputy City Clerk; Published: **July 9th and July 16th**, 2025 Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd, 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for **One New 2025 Landfill Compactor.** Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid reception **will not be considered.** All bids must be clearly marked **"One New 2025 Landfill Compactor"** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall-101 N. 4th St., Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **180 Days after Notice** F.O.B. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. A certified check, cashier's check, or bid bond in the amount of five percent (5%) of the total amount of the bid, including allowances, additive alternates, trade-ins, and concessions, must accompany each bid and must be payable without condition to the Owner as a guarantee that the Bidder will provide specified unit(s). The City of Douglas will allow a 5% preference to Wyoming residents. Bids may be subject to the Wyoming Preference Act. Bidders will supply a Certificate of Residency in compliance with the Wyoming Department of Labor and Statistics.

6. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

7. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

Bidder Initials: TH

8. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

9. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications, the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

BID BOND – VEHICLES, EQUIPMENT

KNOW ALL MEN BY THESE PRESENT, that we, the undersigned, Wyoming Machinery Company as Principal, and Travelers Casualty and Surety Company of America as surety, are hereby held and firmly bound unto City of Douglas as Owner in the penal sum of Five Percent (5%) of the Amount Bid********** for payment of which, we and truly to be made, we hereby jointly and severally bind ourselves, successors and assigns.

The condition of the above obligation is such that whereas the Principal has submitted to the City of Douglas, Wyoming, a certain Bid, attached hereto and hereby made a part hereof to enter a contract in writing for the **One New 2025 Landfill Compactor.**

NOW, THEREFORE,

a. If said bid shall be rejected, or
b. If said bid shall be accepted and the Principal shall execute and deliver a contract in the Form of Contract attached hereto (properly completed in accordance with said bid) and shall furnish a Performance/Contractor's Bond for his faithful performance of said contract, and for the payment of all persons performing labor or furnishing materials in connection therewith and shall in all respects perform the agreement created by the acceptance of said bid, then this obligation shall be void. Otherwise, the same shall remain in force and effect; it being expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event, exceed the penal amount of this obligation as herein stated.

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its Bond shall in no way be impaired or affected by any extension of the time within which the Owner may accept such bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the Principal and Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set forth above.

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of each of the Companies, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, **Kevin E. Hughes**, the undersigned, Assistant Secretary of each of the Companies, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this **22ND** day of **JULY**, **2025**.

SPECIFICATIONS

Specifications are for **One New 2025 Landfill Compactor.** These are the minimum specifications for this unit; you must meet or exceed these specifications. If indication "No" is marked to any specifications, you must provide on a separate sheet of paper an explanation of the item that you would supply in place of the specified item. Any item not marked may result in rejection of the bid.

SCOPE: The vehicle or equipment being specified will be assigned to the **City of Douglas Landfill** and will be used within the City of Douglas as follows:

Compacting the C & D Pit as well as other areas requiring compaction

Meets Specifications	Yes	No
I. BASIC SPECS.		
1. Minimum Engine Horsepower 284@2200 rpm	✓	
2. Operating Weight w ROPS Cab 56,000lbs.	✓	
3. Weigh between front and rear axles will not exceed 10%	✓	
4. Overall Length of Machine will not exceed 26 feet 6 inches	✓	
5. Cab height will not exceed 14 feet 4 inches	✓	
6. Width of machine outside to outside wheel will not exceed 11 feet	✓	
7. The wheelbase will be 11 feet	✓	
8. Ground Clearane at center point will not be below 14 inches	✓	
9. Effective Compaction of no less than 80 inches per pass	✓	
10. Frame Shall be Fabricated from Steel Plate and Rolled Box Sections	✓	
11. Front And Rear Frames Connected with Hardened Steel Pins Riding In 2 Roller Bearings	✓	
12. Electrical System shall be 24 Volt for both Starting and Operating	✓	
13. Machine will have a Minimum 150-amp Alternator	✓	
14. Fuel Tank Capacity of a Minimum of 132 Gallons	✓	
15. Fuel System with a Minimum of 1 Fuel Filter and a Water Separator or 2 Fuel Filters with a Water Separator	✓	
16. Fuel Tank shall be mounted inside Front Frame and away from Debris	✓	

Meets Specifications	Yes	No
II. ENGINE/ TRANSMISSION		
1. The engine shall be a minimum of 7.0 Liters	✓	
2. Engine will be Tier 4 Per EPA Regulations on Diesel Engines	✓	
3. The Engine shall be 6 Cylinder Turbo Charged Diesel Engine	✓	
4. Engine will come with Block Heater and Cord	✓	
5. Transmission Will be a Planetary Type Power Shift For Repeated Speed and Directional Changes at Full Torque	✓	
6. Transmission Shall Have at least 2 Forward and Reverse Speeds	✓	
7. Max Speed Forward of 6.8 MPH	✓	

Bidder Initials: DH

8. Max Speed Reverse 7.7 MPH	✓	
9. Single Stage/ Single Phase Torque Converter	✓	
10. Machine Shall be 4-Wheel Drive with Inboard Planetary Reduction for Each Wheel	✓	
11. Engine will be Equipped with a Turbine Pre-cleaner and an Optional 2-stage Turbine Pre-cleaner	✓	
12. Electronic Clutch Pressure Control/Controlled Throttle Shifting shall sense Input front the Transmission and the Operator Controls to Modulate Each Individual Clutch Through a Proportional Electro-Hydraulic Valve	✓	
13. Throttle Lock to Allow Operator Operate on Cruise Control	✓	
14. Crankcase Capacity at a Minimum of 5 Gallons	✓	
15. Transmission Capacity at a Minimum of 14 to 15 Gallons	✓	

Meets Specifications	Yes	No
III. STEERING		
1. Machine Steering shall be controlled by a Joystick that Integrates Transmission Controls	✓	
2. Steering Circuit must be Pilot Operated, Closed Center and Load Sensing	✓	
3. Outside Turning Radius shall be 21 feet 3 inches Outside Corner of Blade	✓	
4. Machine shall have Center Point Articulation and at least 84-degree Total Articulation	✓	
5. A Single Joystick Shall Affect Both Speed and Directional Changes as well as Steering the Machine	✓	

Meets Specifications	Yes	No
IV. BRAKE SYSTEM		
1. Two Independent shall be Required, Parking and Service	✓	
2. Service Brake shall be on Front and Fully Enclosed Hydraulic Single Disc Brakes	✓	
3. Parking Brake shall be Dry Drum Type on Main Driveline that is Spring Applied and Hydraulic Released	✓	
4. Secondary or Emergency Brake shall Automatically Apply when Hydraulic Pressure Drops Below 1000 PSI	✓	
5. Vehicle shall be able to Drive Through the Emergency Brake	✓	
6. Oil Disc Brakes shall be Adjustment Free and Fully Enclosed to Lock Out Contaminants	✓	
7. The far-Left Pedal shall act as both a Brake and an Engine Decelerator to Override the Engine Speed selected by the Throttle Lock. This enables the Operator to Slow Down and Return to Speed Without Pressing a Button or Applying the Brake or Disabling the Throttle Lock	✓	

Meets Specifications	Yes	No
V. COOLING SYSTEM		
1. Radiator shall be a Modular Design	✓	

2. All Heat Exchangers and Radiators shall be Trash Specific, a Heavy-duty Open ore Design and Maximum Core of 6 Fins per inch of ALUMINUM ALLOY with access for Servicing and Cleaning	✓	
3. Cooling System shall have a Minimum of 116 deg. F. Ambient Capability	✓	
4. Cooling System Capacity must be a Minimum of 21 Gallons	✓	
5. High Radiator Inlet to help prevent Trash from Entering Radiator Area	✓	
6. Machine shall have a Radiator Pre-cleaner Screen to prevent Trash from entering Radiator Compartment	✓	

	Meets Specifications	Yes	No
VI.	**HYDRAULIC SYSTEM**		
1.	The Hydraulic System shall be Fully Filtered and Enclosed with no Vents, Breathers or Valves in the Tank	✓	
2.	Steering and Blade (Implement), Hydraulic Systems shall have a 2 Pump System with Separate Hydraulic Circuits	✓	
3.	Hydraulic Tank and Steering Cylinders shall be Guarded to Resist Damage	✓	
4.	Hydraulic Tank shall have a Minimum of 20 Gallon Capacity	✓	
5.	Hydraulic System Including Tank shall have a Minimum Capacity of 45 to 50 Gallons	✓	
6.			

	Meets Specifications	Yes	No
VII.	**AXLES**		
1.	Machine shall have a Fixed Front Axle	✓	
2.	Rear Axle may have a Total Oscillation of +/- 6 Deg.	✓	
3.	Rear Axle shall Include a Trunnion, 2 Trunnion Supports and Associated Bearings	✓	
4.	Machine shall have Front and Rear NO-SPIN Locking Differentials	✓	
5.	Front Differential and Drives shall have a Minimum Capacity of 11 to 12 Gallons	✓	
6.	Rear Differential and Drives shall have a minimum Capacity of 11 to 12 Gallons	✓	

	Meets Specifications	Yes	No
VIII.	**WHEELS**		
1.	Machine shall have 4 Separate Steel Wheels	✓	
2.	Wheels shall be designed by Original Equipment Manufacturer and are Compatible with the standard Machine Manufacturers Axle Guards and Protection	✓	
3.	Wheels shall be All Steel with a Minimum Diameterof 55 inches and a Minimum Diameter of 67" over Blades and Tips	✓	
4.	All (4) Wheels shall be Identical with a Minimum Drum Diameter of 77 inches and with a Maximum of 20-inch Weld On Long Life Tips per Wheel Located in (4) Rows Spaced to OEM Cleaner Finger Design	✓	

5. Each Wheel shall have Striker Bars Located in Front of Providing Protection from Trash that can be thrown or carried by the wheels	✓	
6. Each Wheel (4) shall have Hard Facing Applied to the Inner and Outer Drum Edges on the Outside Diameter	✓	
7. Wheel and Tip Cleaner Finger shall be provided and shall be welded onto Standard Striker Bars to keep Wheels from plunging when working in Cohesive Materials	✓	
8. Each Wheel shall have a Drum Extension to match Machine's Axle Guarding	✓	
9. Wheels shall have Factory Installed Wear Bars welded to the inside cone of each wheel	✓	
10. Wheel Cleaner Fingers shall be available for working in Cohesive Material or Severe Packing Conditions	✓	
11. Wheels will be equipped with Plus Style and Paddle Style Tips in Combination	✓	

Meets Specifications	Yes	No
IX. GUARDS/ SHIELDS		
1. Machine shall have Engine Side Enclosures	✓	
2. Striker Bars to Provide Protection from trash that can be thrown or carried by the Wheels	✓	
3. Hinged Engine and Powertrain Guards to help prevent Trash Buildup and Shield Components from Demolition Debris while allowing access for Maintenance and Cleaning	✓	
4. Roof Mounted Air Conditioner shall make the Cooling Package easier to keep clean and reduce frequency or Condenser Core	✓	
5. Integral Rear Bumper shall help protect the Radiator, Fan Batteries and Engine	✓	
6.		

Meets Specifications	Yes	No
X. BLADE		
1. Machine shall be equipped with a Landfill Dozer Blade	✓	
2. Moldboard shall be a "Box Section" Design	✓	
3. Blade Rise Height shall be a minimum of 45 inches	✓	
4. The Depth of Cut shall be no less than 14 inches	✓	
5. The Landfill Dozer Blade shall be a Maximum of 12 feet Wide and 77 inches To the top of the Trash Guard	✓	
6. Landfill Dozer Blade shall have Reversible Bolt on Cutting Edges	✓	
7. Blade Must be able to Raise, Lower and Float	✓	
8. Frames shall be Fabricated of Steel Plate and Rolled Box Sections	✓	
9.	✓	

XI. OPERATORS STATION		
1. With Properly Maintained Cab, Cab shall meet Operator Sound Level (ISO 6396) of 71db with additional Sound Suppression of 70db	✓	
2. Engine Enclosure and Sound Suppression shall be available for greater noise reduction	✓	
3. Cab shall have Tinted, Bonded or Rubber Mounted, Flat Laminated Safety Glass that is readily available	✓	
4. Cab must have HVAC Automatic Temperature Control	✓	
5. Footrests for Operator Comfort	✓	
6. Cab equipped with factory Heater, factory built and installed Air Conditioning With Roof Mounted Compressor, Front and Rear Defroster, Front and Rear Intermittent Wet Arm Wipers and Air Suspension Type Seat with (6) way adjustment with Seat Belt. Seat will also have Adjustable Armrests	✓	
7. Cab shall have Rear View Mirrors	✓	
8. Front Window Guard shall also be available	✓	
9. Gauges for Fuel, DEF Level, Engine Coolant, Hydraulic Oil, Transmission Temperature, Brake Oil Pressure, Electrical System Low Voltage, Engine Oil Pressure, Engine Overspeed, Fuel Pressure, Hydraulic Oil Filter Status, Parking Brake Status and Transmission Filter Status	✓	
10. A 12 Volt, 15 Amp Converter shall be available for 12 Volt Accessories, 2-Way Radio ETC.	✓	
11. A Pressurized and Secondary Cab Pre-air Cleaner option shall be Installed	✓	
12. Armrest and Controls will NOT be mounted on the seat, but mounted on the floor for added stability and be fully adjustable to fit Operator independent from Seat Adjustments	✓	
13. Raer Back-up Camera and in-cab monitor must be included from factory and serviceable from OEM	✓	
14. The Operator Station shall have left door that can be fully opened and latched for entry and exit as well as an Emergency Exit on right side through the window	✓	
15. The machine will be equipped with a Back-up Warning Alarm and Front Warning Horn	✓	
16. Machine will have Front and Rear Warning Lights	✓	
17. Machine will have Left and Right-Side Platforms for easy access to rear of cab	✓	
18. A built-in storage Unit will be standard for Personal Items	✓	
19.		

XII. SERICABILITY		
1. The bottom of machine shall be easily accessed for Engine and Transmission Service, inspection and cleaning. Bottom guards ill be hinged for raising and lowering	✓	

Bidder Initials: DH

2. Machine will have a diagnostic connector to analyze Electrical Functions	✓	
3. Both side of Engine Compartment will have Swing Out Doors that provide easy access to Maintenance Points	✓	
4. ALL Grease Points shall be well within reach at Ground Level in Center Articulation Area	✓	
5. Swing out Hydraulic Core shall allow easy cleaning and inspection without tools	✓	
6. Operator MUST have ability to monitor machine systems and operation malfunctions, in various languages through a management system with intuitive operation and easy navigation on a touch screen graphical display (VIMS)	✓	

XIII. OTHER		
1. A Software Program will be available from the manufacturer that allows Service Technician to find and identify a problem on the machine	✓	
2. Must have included technology that allows remote monitoring of equipment Diagnostic Codes, Machine Hours, Fuel Burn and Idling Hours by transmitting to a secure web-based application (ET)	✓	
3. Machine will have an 84 Month, 7500 Hour Total Machine Warranty	✓	
4. Machine will come with complete Operator and Service Manuals with Wiring and Hydraulic Schematics	✓	
5. Bidder MUST have a Full Service, Parts Stocking Dealership within 100 miles of Douglas, WY 82633	✓	
6. Bidder MUST have a local Field Service Capabilities	✓	

Bidder Initials: TH

232691-01

DOUGLAS, CITY OF - C/O FINANCE
DEPARTMENT

PO BOX 1030
DOUGLAS, Wyoming 82633

Attention: Toby Porter

Dear Toby Porter,

Thank you for this opportunity to quote Caterpillar products for your business needs. We are pleased to quote the following for your purchase consideration.

One (1) New Caterpillar Inc. Model: 816 Soil Compactors with all standard equipment in addition to the additional specifications listed below:

STOCK NUMBER: **SERIAL NUMBER:** **YEAR:** **SMU:**

Thank you for your interest in Dealership and Caterpillar products for your business needs. This quotation is valid for 30 days, after which time we reserve the right to re-quote. If there are any questions, please do not hesitate to contact me.

Sincerely,

Dan Holman
Territory Sales Rep
Wyoming Machinery Company
djholman@wyomingcat.com
307-267-0645

One (1) New Caterpillar Inc. Model: 816 Soil Compactors with all standard equipment in addition to the additional specifications listed below:

Standard Equipment

POWERTRAIN

Advanced Productivity Electronic Control Shifting (APECS)
Air to air aftercooler
Brakes, full hydraulic, enclosed, wet multiple disc service brakes
Electro-hydraulic parking brake
Electronic Clutch Pressure Control (ECPC)
Engine, CAT C7.1
Engine driven cooling fan (suction)
Fuel priming pump (electric)
Fuel to air cooler
Ground level engine shutoff
Radiator, unit core
Starting aid (ether)
Throttle lock
Transmission, planetary with 2F/2R speed range control
Torque converter

ELECTRICAL

Alarm, back-up
Alternator, 150-amp
Batteries, maintenance free
Electrical system, 24V
Ground level lockable master disconnect
switch
Light, warning unswitched (LED strobe)
Lighting system (front & rear)
Starter, electric
Starting receptacle for emergency start

OPERATOR ENVIRONMENT

AccuGrade mapping (ready)
A/C with roof mounted condenser
Cab, sound-suppressed pressurized, internal four-post rollover protective structure (ROPS/FOPS), radio ready for entertainment includes antenna, speakers, converter (12-volt 10/15-amp) and power port
Cab glass, laminated and tinted, rubber mounted
Cab pre-cleaner, powered
Camera, rear vision
Coat and hard hat hooks
Electro-hydraulic controls (floor mounted)
Finger tip shifting controls
Flip-up armrest
Heater and defroster
Horn, trumpet
Implement hydraulic lockout
Instrumentation, gauges:
-Engine coolant temperature
-Fuel level
-Electrical system, low voltage
-Engine failure malfunction alert and action lamp
-Parking brake status
Light, dome (cab)
Lunch box and beverage holders
Mirror, internal (panoramic)
Mirrors, heated, rearview (externally mounted)
Premium plus seat containing forced air heating and cooling, 2-way thigh adjustment, power lumbar and back bolster adjustment, ride stiffness adjustment, dynamic end dampening, and leather finish
Radio, CB (ready)
Seat belt, retractable, 76mm (3"), 2-point, minder
STIC control system with lockout
Sun visor (front)
Transmission gear (indicator)
Product Link Elite:
-VIMS

-Hydraulic oil temperature
-Speedometer/Tachometer
-Torque convertor temperature
Instrumentation, warning indicators:
-Action alert system, three category
-Brake oil pressure
-Graphical information display
-External data port
-Customizable operator profiles
-Event indicator light on rear grill
Wet-arm wipers/washers (front and rear), intermittent wipers (front and rear)

GUARDS

Guards, axle (front and rear)
Guard, cab window
Guards, crankcase and powertrain, hinged
Guard, driveshaft
Guard, radiator

OTHER STANDARD EQUIPMENT

Doors, service access (locking)
Ecology drains for engine, radiator, transmission, hydraulic tank
Engine, crankcase, 500 hour interval with CJ-4 oil
Emergency egress
Fire suppression (ready)
Fuel tank, 523 L (138 gal)
Hitch, drawbar with pin
Hoses, Cat XT(TM)
Hydraulic, engine, and transmission oil coolers
Oil change system, high speed
Oil sampling valves
Steering, load sensing
Total hydraulic filtration system
Vandalism protection caplocks
Venturi stack

MACHINE SPECIFICATIONS

816 11A LANDFILL COMPACTOR	581-6781	PRODUCT LINK, CELLULAR PLE641	578-9008
LANE 2 - AVAILABLE FROM DECATUR FACTORY		FAN, REVERSING	568-2455
LANE 3 - AVAILABLE FROM DECATUR FACTORY		WHEELS, COMBINATION TIPS	457-7819

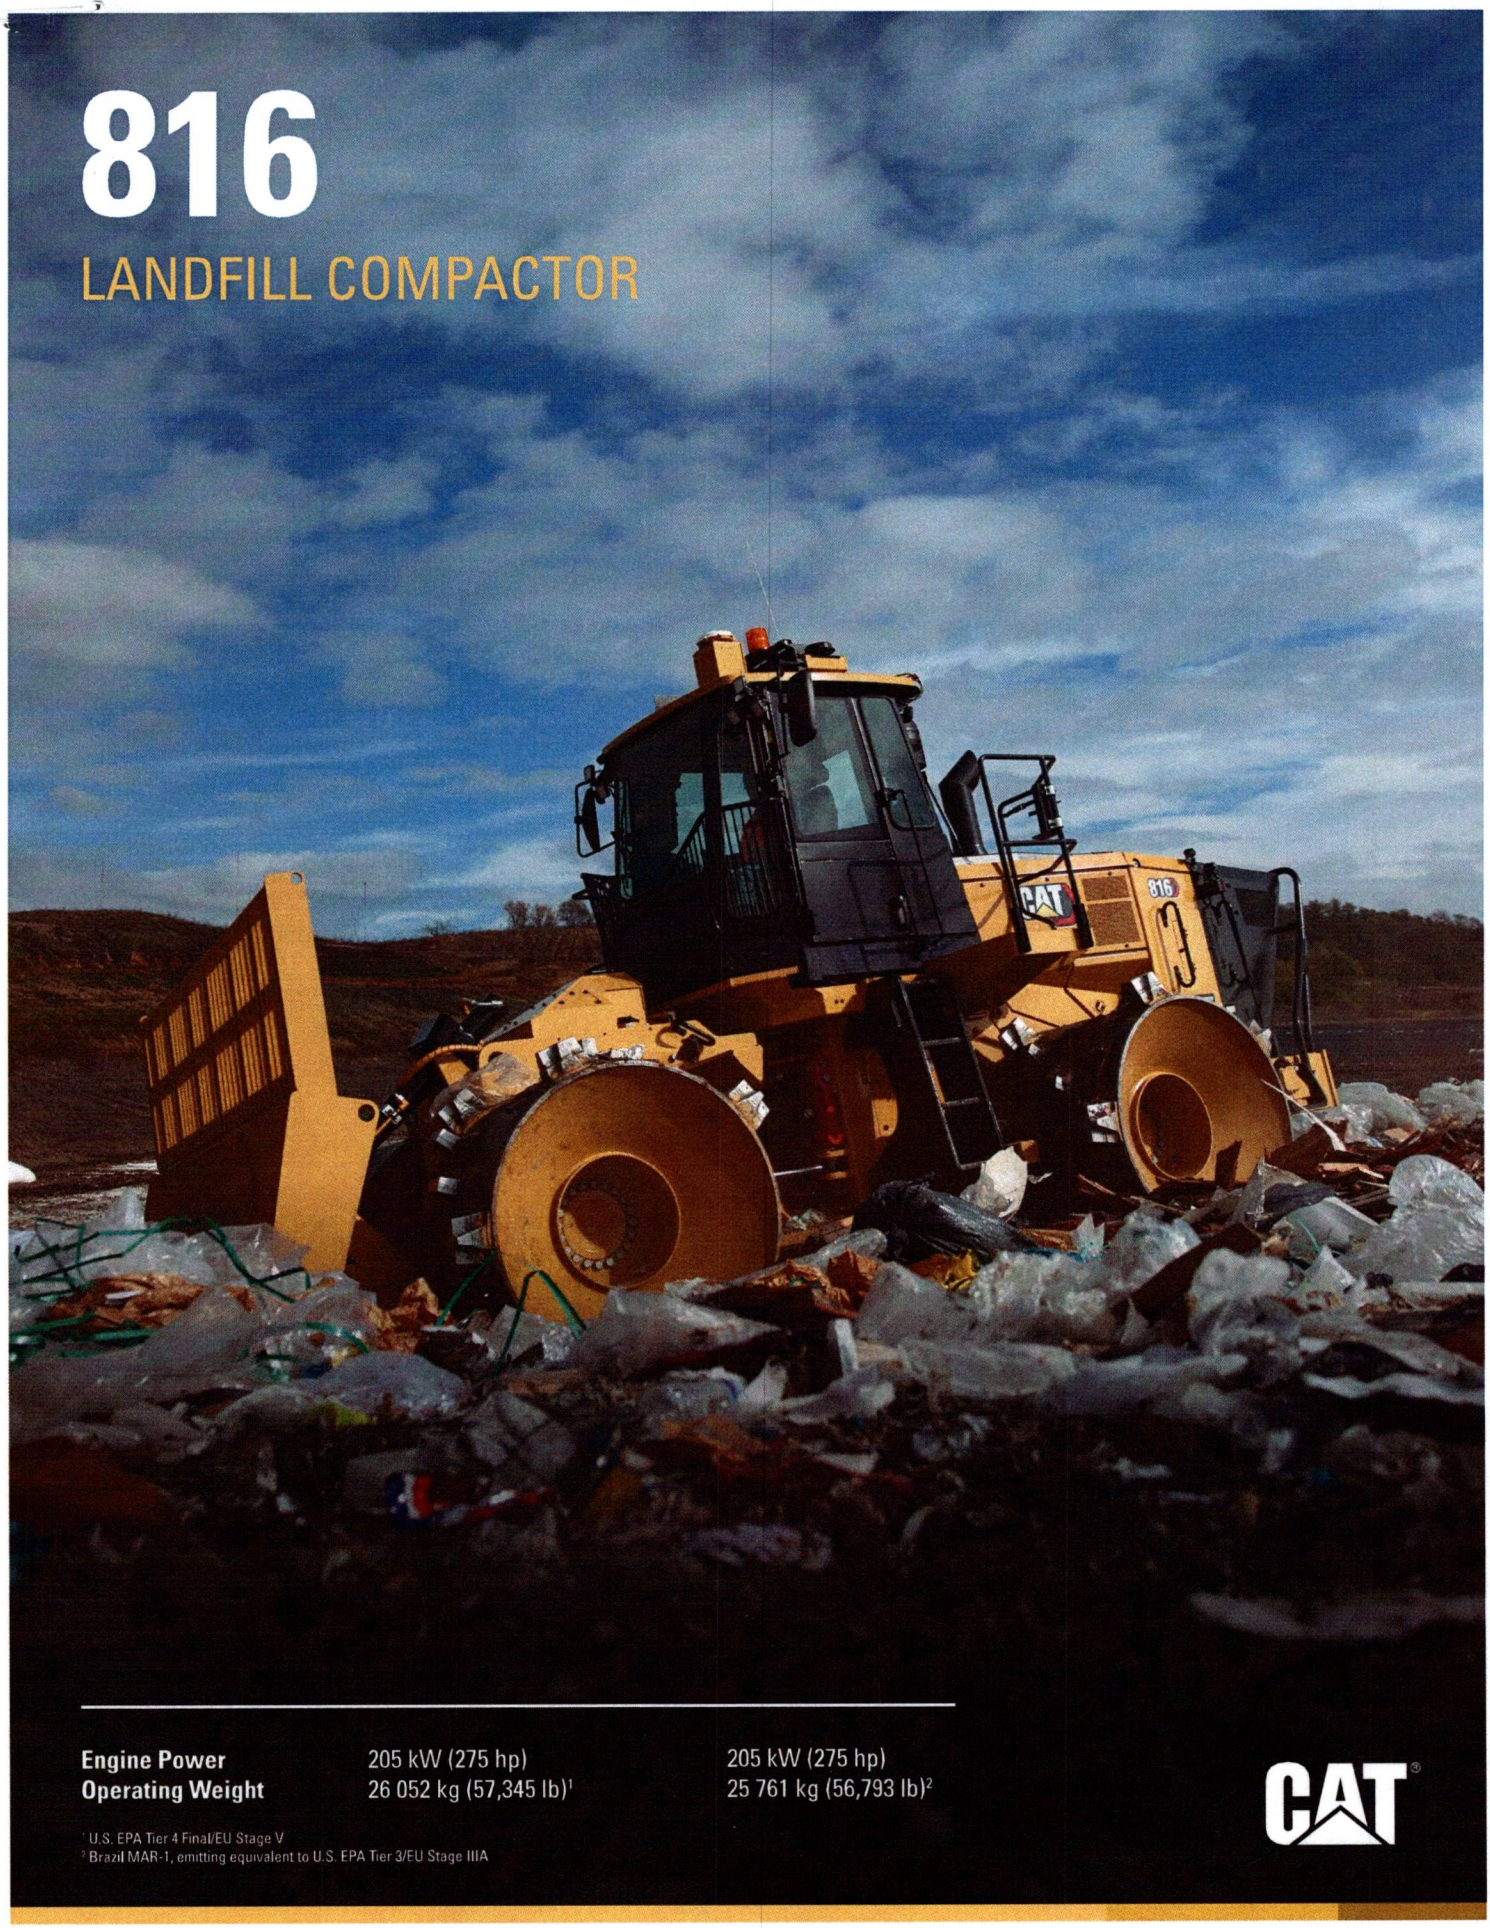
816

LANDFILL COMPACTOR



Engine Power	205 kW (275 hp)	205 kW (275 hp)
Operating Weight	26 052 kg (57,345 lb)[1]	25 761 kg (56,793 lb)[2]

[1] U.S. EPA Tier 4 Final/EU Stage V
[2] Brazil MAR-1, emitting equivalent to U.S. EPA Tier 3/EU Stage IIIA

CAT®

Purpose-built for landfill operation, the Cat® 816 helps deliver performance and efficiency that come from proven engineering and advanced new features. Field-proven protection and integrated technologies help provide peak availability and optimized landfill performance.

THE CAT® 816

HELPING YOU CRUSH IT

IMPROVED UPTIME AND OPERATOR COMFORT WITH MAXIMIZED COMPACTION

The Cat 816 Landfill Compactor gives you advanced technology for increased efficiency, a tough and long-lasting machine, low maintenance costs, and reduced operator fatigue.

+ IMPROVED GUARDING AND STRUCTURAL ENGINEERING HELP PROTECT YOUR INVESTMENT
+ NEW DESIGN FEATURES HELP REDUCE TIME SPENT ON MAINTENANCE AND INCREASE MACHINE LIFE
+ FROM STEERING CONTROLS TO CLIMATE CONTROL, THE UPDATED CAB DESIGN HELPS INCREASE PRODUCTIVITY

IMPROVED **GUARDING**

New features such as new frame guards and service doors help protect the machine from trash intake and other onsite hazards.

LOW **MAINTENANCE COSTS**

Grouped servicing points, redesigned access, and a long-lived new filtration system help reduce your labor costs and downtime.

GREAT OPERATOR COMFORT **AND PRODUCTIVITY**

Cab pressurization, climate control, sound dampening, and isolation mounts help make the entire workday comfortable, while Cat's Steering and Transmission Integrated Control (STIC™) system helps reduce fatigue and cycle time.

BREATHING **EASY**

THE 816'S RADIAL AIR FILTER DESIGN PROVIDES

4x

THE FILTER LIFE

BUILT-IN PROTECTION

IMPROVED GUARDING HELPS PROTECT YOUR INVESTMENT

NEW FRAME GUARDS

Front frame guards help prevent trash buildup inside the frame and protect components and hydraulic lines. New frame deflectors divert trash away from the frame and hood enclosure, alleviating potential damage.

STRONG SERVICE DOORS

Robust service doors with a new captive hinge design help prevent unintentional opening and, therefore, protect interior components against contamination.

BELLY GUARDS

Sealed belly guards help provide additional protection to prevent trash intake into frames.

STRIKER BARS

Striker bars and optional cleaner fingers help to keep wheels free of debris, making compaction more efficient.

MAJOR SYSTEM GUARDING

The guarding diverts trash away from key components and service areas on the machine, ensuring less failures due to the severity of the landfill environment.

SCREENED AIR INLET

A screen helps prevent trash from entering the radiator area, maintaining proper airflow and allowing for debris to fall off.

ROBUST STRUCTURES

The 816 features heavy-duty main structures that support multiple lifecycles.

+ BOX-SECTION REAR FRAME HELPS RESIST TORSIONAL SHOCK AND TWISTING
+ HEAVY-DUTY STEERING CYLINDER MOUNTS EFFICIENTLY TRANSMIT STEERING LOADS INTO THE FRAME
+ AXLE MOUNTING IS OPTIMIZED FOR GREAT STRUCTURAL INTEGRITY

HEAVY-DUTY STRUCTURES

BUILT TO LAST

EASY MAINTENANCE
QUICK SERVICE

EASY TO SERVICE

Access to the emergency shutdown switch, battery disconnect switch, and jump start receptacle are ground level accessible. Coolant, transmission oil, and the hydraulic system are all equipped with sight gauges for quick inspection and reduced contamination risk. The hydraulic oil cooler, fuel cooler, and condenser are grouped together, and grease points are centralized.

EASY ELECTRONICS ACCESS

The 816's electronics bay is accessible from inside the cab. This configuration is not only easy, but allows access in a climate-controlled environment.

IMPROVED AIRFLOW TECHNOLOGY

The radial air filter provides four times the previous filter life, and a new electronic air inlet restriction indicator alerts the operator to any airflow blockages.

DEBRIS PURGING FAN

An auto-reversing fan purges debris buildup. The fan can also be activated manually.

ENHANCED OPERATOR COMFORT

COMFORT WHERE IT COUNTS

UPDATED CAB

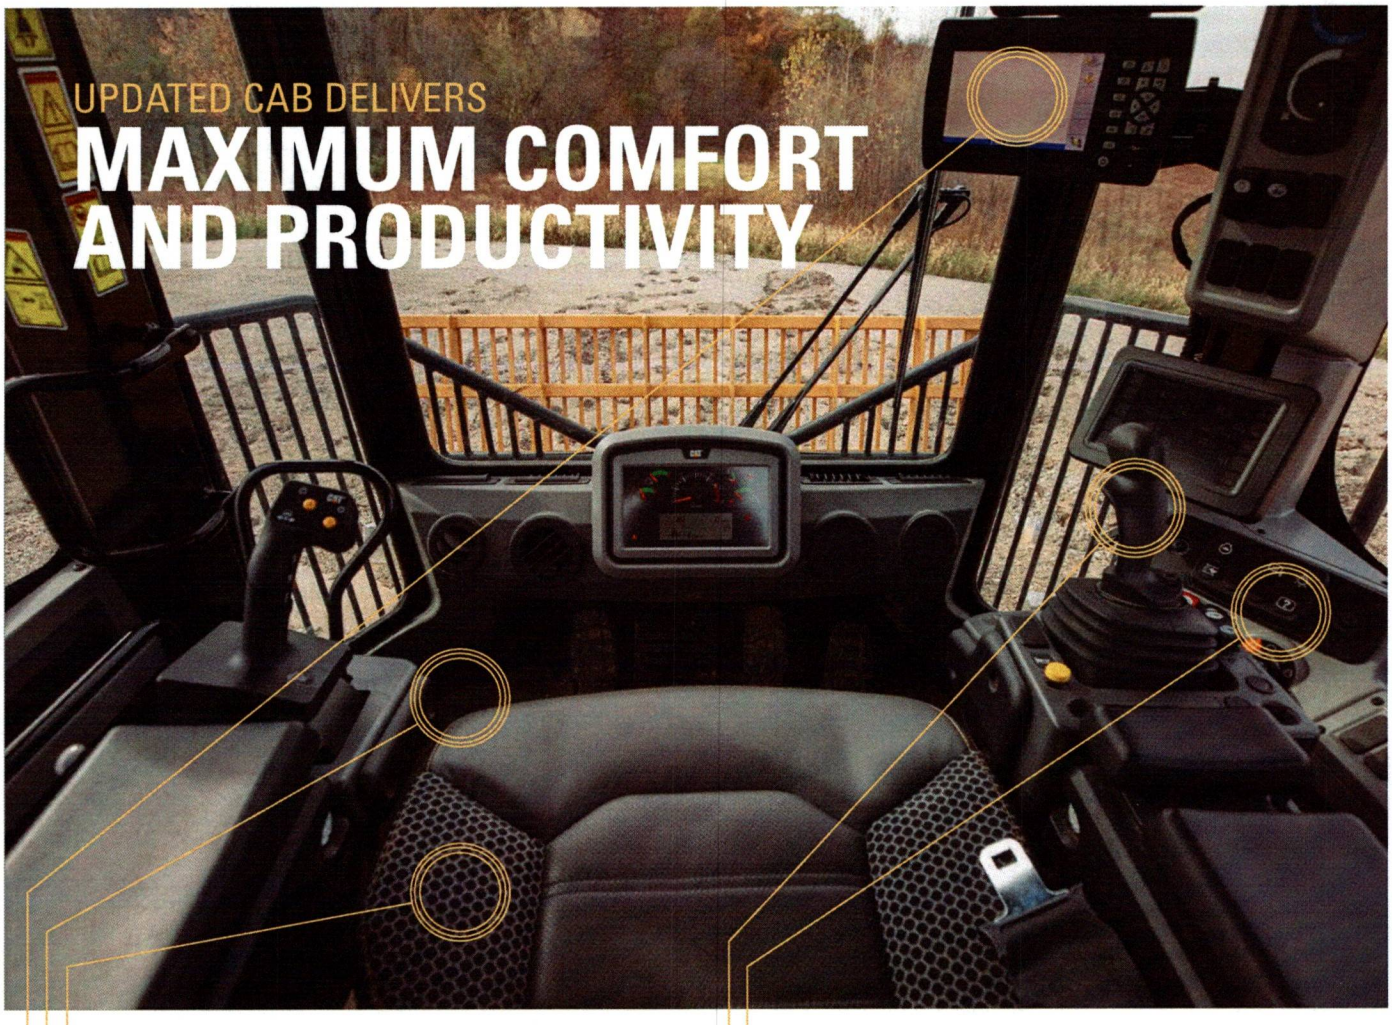
The 816's cab has been redesigned from the ground up for great comfort, easy control, and high productivity.

IMPROVED INTERIOR AIR

The operator's preferred temperature settings are maintained with automatic climate control. The cabin is pressurized to keep contamination and odors out, and incoming air is filtered.

REDUCED VIBRATION

The cab sits on isolation mounts, and the seat is equipped with an air suspension, improving comfort and reducing sound levels.



UPDATED CAB DELIVERS

MAXIMUM COMFORT AND PRODUCTIVITY

PREMIUM PLUS SEAT

The Premium Plus seat helps deliver total comfort throughout the workday. Standard features include leather finish, forced air heating and cooling, two-way thigh adjustment, power lumbar and back bolster adjustment, and dynamic end dampening. The seat also features a flip-up armrest for easy ingress/egress.

CONVENIENT STORAGE

Cab features a convenient floor storage tray/ lunch box, keeping the workstation clutter free.

ACCESS VITAL INFORMATION

Keep your operators informed about machine conditions and operation with the Vital Information Management System (VIMS™) 3G machine monitoring system.

EASY CONTROLS

Operator productivity has been enhanced with membrane switch panels, keyed ignition, and electro-hydraulic parking brake control switch.

SINGLE-STICK CONTROL

Easy control and short, fast cycles help reduce operator fatigue and increase efficiency. The STIC system combines steering, gear selection, and more into a single lever. Steering is accomplished with small side-to-side inputs, and gear changes are controlled with the fingers.

PRODUCTIVE TECHNOLOGY
HELPING YOU DO MORE

CAT COMPACT

Cat Compact combines in cab-guidance and reporting capabilities to help you consistently achieve higher compaction densities. Visually see where the machine has been on the working face and how many passes have been completed – saving on fuel and machine wear and tear.

ACCESS VITAL INFORMATION

A 3G touchscreen with user-friendly interface allows operators to monitor real-time machine performance and operating data with the VIMS system.

IMPROVED EQUIPMENT MANAGEMENT

Cat Equipment Management technology provides access to machine location, hours, fuel consumption, idle time, events, and diagnostic codes through the online VisionLink® interface.

DO MORE IN LESS TIME ON LESS FUEL

POWERFUL EFFICIENCY

PROVEN POWER

The Cat 7.1 engine is designed for maximum fuel economy and increased power density, delivering reliable performance, and low emissions. Two engine options are available, meeting U.S. EPA Tier 4 Final/EU Stage V emission standards or emitting equivalent to U.S. EPA Tier 3/EU Stage IIIA.

SMOOTH POWER

Advanced Productivity Electronic Control System (APECS) transmission controls deliver improved shifting performance and a high level of comfort for operators. APECS allows you to achieve great momentum on grades and save fuel by carrying that momentum through the shift points.

FUEL-SAVING CONTROLS

Automatic engine and electrical system shutdown controls save even more fuel by reducing unnecessary idling. Throttle lock helps reduce fuel burn further by maintaining constant speed and also reduces operator fatigue.

MULTI-CONTROL PEDAL

The decelerator pedal acts as a brake, transmission neutralizer, and an engine decelerator to override the engine speed selected by the throttle lock. This allows you to slow down the machine when the throttle lock is engaged and to return to the throttle lock setting without any hand control inputs such as pressing a resume or set button.

PRECISE STEERING

Variable displacement piston pumps help give you precise positioning and easy maneuvering in tight areas, with 42° articulation in each direction. A load-sensing system helps provide confident machine operation and adds to the precision of the steering. More precise steering results in shorter, more efficient cycles.

ELECTRO-HYDRAULIC CONTROLS

Increase productivity with the 816's responsive implements feature. Easy-to-use soft-detent controls help make operation comfortable.

FEATURES THAT HELP YOU

STAY IN CONTROL

MORE OPTIONS TO FIT YOUR OPERATION

WHEELS AND TIPS

TIP DESIGN

Designed specifically to complement Cat machines, choose Paddle or Plus design tips for better performance and traction.

OPTIONS TO FIT YOUR WORK

Choose the tip design that fits your operational needs:

+ SELECT PADDLE TIPS FOR TRACTION AND FUEL ECONOMY
+ SELECT PLUS TIPS FOR INCREASED SIDE-SLOPE STABILITY
+ SELECT A COMBINATION OF BOTH TO OPTIMIZE PERFORMANCE AND FUEL ECONOMY WITH SIDE-SLOPE STABILITY

PROTECTING YOUR TEAM

SAFE DESIGN

INCREASED VISIBILITY

Backing is safe for operators and everyone on site with a standard rearview camera. Standard cab-mounted LED warning strobes help increase visibility of the machine, further reducing risk.

REDUCED SOUND

Low interior sound levels help increase operator comfort, and spectator sound levels have been reduced. Optional low sound packages reduce the noise level even further.

SAFE ACCESS

Emergency shutdown switch is at ground level. Platform and ladders are designed to ensure three points of contact at all times during entry and exit.

TECHNICAL SPECIFICATIONS

See cat.com for complete specifications.

U.S. EPA

ENGINE – U.S. EPA TIER 4 FINAL/EU STAGE V		
Engine Model	Cat® C7.1	
Rated Speed	2,200 rpm	
Net Power (SAE J1349:2011)	186 kW	249 hp
Net Power (ISO 9249:2007)	186 kW	249 hp
Gross Power (SAE J1995:2014)	212 kW	284 hp
Engine Power (ISO 14396:2002)	205 kW	275 hp
Peak Torque @ 1,400 rpm	1223 N·m	902 lbf-ft
Torque Rise	52%	
Bore	105 mm	4.1 in
Stroke	135 mm	5.3 in
Displacement	7.01 L	427.8 in³
High Idle Speed	2,270 rpm	
Low Idle Speed	800 rpm	
Maximum Altitude without Derating	3000 m	9,842.5 ft

- Net power advertised is the power available at the engine flywheel when the engine is equipped with a fan, air cleaner, aftertreatment, and alternator.

ENGINE – U.S. EPA TIER 3/EU STAGE IIIA EQUIVALENT		
Engine Model	Cat C7.1	
Rated Speed	2,200 rpm	
Net Power (SAE J1349:2011)	186 kW	249 hp
Net Power (ISO 9249:2007)	186 kW	249 hp
Gross Power (SAE J1995:2014)	213 kW	286 hp
Engine Power (ISO 14396:2002)	205 kW	275 hp
Peak Torque @ 1,400 rpm	1016 N·m	749 lbf-ft
Torque Rise	26%	

- Net power advertised is the power available at the engine flywheel when the engine is equipped with a fan, air cleaner, muffler, and alternator.

WEIGHTS		
Tier 4 Final/Stage V	26 052 kg	57,345 lb
Tier 3/Stage IIIA equivalent	25 761 kg	56,793 lb

TRANSMISSION					
Transmission Type	Cat Planetary Power Shift				
Forward 1	6.7 km/h	4.1 mph	Reverse 1	7.7 km/h	4.8 mph
Forward 2	12.0 km/h	7.5 mph	Reverse 2	13.7 km/h	8.5 mph

*Maximum unloaded speed

AIR CONDITIONING SYSTEM

- The air conditioning system on this machine contains the fluorinated greenhouse gas refrigerant R134a or R1234yf. See the label or instruction manual for identification of the gas.
- If equipped with R134a (Global Warming Potential = 1430), the system contains 1.4 kg of refrigerant which has a CO_2 equivalent of 2.002 metric tonnes.

HYDRAULIC SYSTEM - STEERING		
Steering System - Circuit	Pilot, Load Sensing	
Steering System - Pump	Variable Displacement Piston	
Max Flow @ 2,200 rpm	147 L/min	38.8 gal/min
Relief Valve Setting - Steering	27 600 kPa	4,003 psi
Total Steering Angle	84°	
Steering Cycle Time (high idle)	3.0 sec	
Steering Cycle Time (low idle)	8.2 sec	

AXLES	
Front	Planetary – Fixed
Rear	Planetary – Oscillating
Oscillation Angle	±6°

SOUND PERFORMANCE	
Tier 4 Final/Stage V	
Operator Sound Pressure Level (ISO 6396:2008)	72 dB(A)
Machine Sound Power Level (ISO 6395:2008)	111 dB(A)
Operator Sound Pressure Level (ISO 6396:2008)	70 dB(A)*
Machine Sound Power Level (ISO 6395:2008)	109 dB(A)*
Tier 3/Stage IIIA Equivalent	
Operator Sound Pressure Level (ISO 6396:2008)	72 dB(A)
Machine Sound Power Level (ISO 6395:2008)	112 dB(A)
Operator Sound Pressure Level (ISO 6396:2008)	70 dB(A)*
Machine Sound Power Level (ISO 6395:2008)	110 dB(A)*

* Sound suppression equipped

- The machine sound power level was measured according to ISO 6395:2008. The measurement was conducted at maximum engine cooling fan speed.
- The operator sound pressure level was measured according to ISO 6396:2008. The measurement was conducted at maximum engine cooling fan speed.
- Hearing protection may be needed when the machine is operated with a cab that is not properly maintained or when the doors or windows are open for extended periods or in a noisy environment.

STANDARD & OPTIONAL EQUIPMENT

Standard and optional equipment may vary. Consult your Cat® dealer for details.

OPERATOR ENVIRONMENT	STANDARD	OPTIONAL
12V power port for mobile phone or laptop connection	•	
Cat Compact RTK Mapping (available through SITECH only)		•
Cat Compact SBAS Mapping (available through SITECH only)		•
Air conditioner with roof-mounted condenser	•	
Cab, sound-suppressed pressurized	•	
Camera, rear vision	•	
Implement hydraulic lockout	•	
Instrumentation, gauges: Diesel exhaust fluid (DEF) fluid level (U.S. EPA Tier 4 Final/EU Stage V only), engine coolant temperature, fuel level, hydraulic oil temperature, speedometer/tachometer, torque converter temperature	•	
Instrumentation, warning indicators: action alert system – three categories, brake oil pressure, electrical system – low voltage, engine failure malfunction alert and action lamp, parking brake status	•	
Mirror, internal (panoramic)	•	
Mirrors, heated rearview (externally mounted)	•	
Radio, AM/FM/Aux/USB/Bluetooth®		•
Radio, CB (ready)	•	
Radio ready for entertainment: antenna, speakers, converter (12V, 10-15 amp)	•	
Vital Information Management System (VIMS™): graphical information display, external data port, customizable operator profiles, event indicator light on rear grill	•	
Wet-arm wipers/washers (front and rear): intermittent wipers (front and rear)	•	

POWERTRAIN	STANDARD	OPTIONAL
Brakes, full hydraulic, enclosed, wet multiple disc service brakes	•	
Cat Clean Emission Module (Tier 4 Final/Stage V only)	•	
Electro-hydraulic parking brake	•	
Engine, Cat C7.1 configured for two emissions options: Tier 4 Final/Stage V or emitting equivalent to Tier 3/Stage IIIA	•	
Fuel priming pump (electric)	•	
Fuel-to-air cooler	•	
Ground level engine shutoff	•	
Heater, engine coolant, 120V		•
Heater, engine coolant, 240V		•
Radiator, unit core	•	
Throttle lock	•	
Transmission, planetary with 2F/2R speed range control	•	

ELECTRICAL	STANDARD	OPTIONAL
Alarm, back-up	•	
Alternator, 150 amp	•	
Batteries, maintenance-free	•	
Electrical system, 24V	•	
Ground level lockable battery disconnect switch	•	
Light, warning unswitched (LED strobe)	•	
Lighting system (front and rear)	•	
Starter, electric	•	
Auxiliary start receptacle	•	

GUARDS	STANDARD	OPTIONAL
Guards, axle (front and rear)	•	
Guard, cab window	•	
Guards, crankcase and powertrain, hinged	•	
Guard, driveshaft	•	
Guard, radiator	•	

FLUIDS	STANDARD	OPTIONAL
Antifreeze, -50° C (-58° F)		•
Antifreeze, premixed 50% concentration extended life (-34° C/-29° F)	•	

OTHER STANDARD EQUIPMENT	STANDARD	OPTIONAL
Engine, crankcase, 500 hour interval with CJ-4 oil	•	
Fuel tank, 500 L (132.1 gal)	•	
Hydraulic, engine, and transmission oil coolers	•	
Oil change system, high speed	•

Wyoming Machinery Company	$654,615.60	YES

Agenda Item Report
City Council – July 28, 2025

Item
One New 2025 3/4 Ton Crew Cab Pickup 4x4

Responsible Staff Contact

Recommendation
Accept bid from Sheridan Motors GMC for a 2025 GMC ¾ Ton Crew Cab 4X4 Pickup for the sum of $58,011.00 and authorize City Manager to sign all associated documents.

Executive Summary
The proposed purchase of a new pickup for the Douglas Landfill.
Proposed replacement with a budget of 65,000.00.

Four bids were received: Sheridan Motors GMC for- $58,011.00
Fremont Motors Ford for- $56,742.00
Greiner Ford Ford Ford- $57,010.00
Sheridan Motors Ram for- $54,124.00

The Ford and Ram bids did not meet specs.

Background
The existing Unit #78 now has 136,910 miles, and high engine hours. It was originally the CSO vehicle, then transferred over to the Parks Dept. and finally transferred again to the Douglas Landfill, it is a tired old truck, needing replacement.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 3/4 Ton Crew Cab Pickup 4X4** will be received at Douglas City Hall, 101 N. 4th Street, until **1:30 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

Bidder Initials: RO

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 3/4 Ton Crew Cab Pickup 4X4. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid reception **will not be considered.** All bids must be clearly marked "One New 2025 3/4 Ton Crew Cab Pickup " with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications,

Bidder Initials: BO

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

1. Minimum 18" Steel or Aluminum Wheels	✓	
2. Minimum 18" All Season/ All Terrain Tires 275/70-R18	✓	

Bidder Initials: _____

3. Matching Spare Tire and Wheel	✓	
4. On Board Tire Pressure Monitoring System	✓	
5. Other:		

	Meets Specifications	Yes	No
V. BRAKE/BRAKE RELATED EQUIPMENT			
1. 4 Wheel Antilock Disc Brake System		✓	
2. Traction Control		✓	
3. Stability Control		✓	
4. Integrated Trailer Brake System	(STD)	✓	
5. Other:			

	Meets Specifications	Yes	No
VI. BUMPERS			
1. Front: Manufacturer Standard		✓	
2. Rear: Manufacturer Standard Step Bumper		✓	
3. 7 Pole Round And 4 Pole Flat Trailer Wiring Connector		✓	
4. Minimum Class III Receiver Hitch		✓	
5. Front Tow Hooks	(STD)	✓	
6. Other:			

	Meets Specifications	Yes	No
VII. STEERING			
1. Power Steering		✓	
2. Tilt/ Telescopic Steering Wheel	TILT	✓	
3. Other:			
4.			
5.			
6.			

	Meets Specifications	Yes	No
VIII. ELECTRICAL SYSTEM			
1. High-Capacity Alternator		✓	
2. Minimum 750 CCA Battery	730		✓
3. Easy Access Fuse and Relay Boxes		✓	
4. Other:			
5.			
6.			

	Meets Specifications	Yes	No
IX. TRANSMISSION AND EQUIPMENT			
1. 10 Speed Automatic Transmission	8 speed		✓
2. Column Shift or Floor Shifter		✓	
3. 4X4 Electronic Shift Transfer Case		✓	
4. Other:			

Bidder Initials: BA

5.		

Meets Specifications	Yes	No
X. CAB AND RELATED EQUIPMENT		
1. Manual Integral Air Conditioning and Heat	✓	
2. Sound System: Manufacturers Standard with Bluetooth	✓	
3. Interior Rear-View Wide-Angle Mirror	✓	
4. Remote Start	✓	
5. Tow/Haul Mirrors	✓	
6. Front 40/20/40 Cloth Type, Driver Seat 7 Way Power with Heat option	✓	
7. Crew Cab	✓	
8. Cruise Control	✓	
9. Cargo Area Lamp	✓	
10. Black Vinyl Flooring with Vinyl Floor Mats	✓	
11. Gauges: Fuel, Temp, Oil Pressure, Trans. Temp, Tachometer and Odometer	✓

FCA Fleet Powertrain Care
5 Year / 100,000 Mile Limited Warranty Extension
($0 Deductible)

Incl

THIS LIMITED WARRANTY IS PROVIDED TO OWNERS of a 2016 through 2026 Model Year Chrysler, Dodge, Jeep and Ram vehicles (excluding vehicles equipped with diesel engines) who purchased it through FCA US LLC specifically for Fleet Government Bid/Leases and Fleet Commercial/ Lease orders only.

YOUR LEGAL RIGHTS UNDER THIS LIMITED WARRANTY

This warranty is the express warranty FCA US LLC ("FCA") makes for your vehicle. This warranty gives you specific legal rights. You may also have other rights that vary from state to state. For example, you may have some implied warranties, depending on the state where your vehicle was sold or is registered.

These implied warranties are limited, to the extent allowed by law, to the time periods covered by this express written warranty.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply and FCA completely disclaims them to the extent allowed by law. And the implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Incidental and Consequential Damages Not Covered

Your warranty does not cover any incidental or consequential damages connected with your vehicle's failure, either while under warranty or afterward. Examples of such damages include: (a) lost time; (b) inconvenience; (c) the loss of the use of your vehicle; (d) the cost of rental vehicles, gasoline, telephone, travel, or lodging; (e) the loss of personal or commercial property; and (f) the loss of revenue.

Some states don't allow incidental or consequential damages to be excluded or limited, so this exclusion may not apply to you.

Persons to Whom the Limited Warranty is Offered

This Limited Warranty is provided to owners of a 2016 through 2026 Model Year Chrysler, Dodge, Jeep and Ram vehicles (excluding vehicles equipped with diesel engines) who purchased it through FCA US LLC specifically for Fleet Government Bid/Leases and Fleet Commercial/ Lease orders only.

What This Limited Warranty Extension Covers

This Powertrain Limited Warranty is a part of your New Vehicle Limited Warranty. It extends the 5 year or 60,000-mile powertrain limited warranty on mechanical components of the vehicle to 5 years from the in service date of the vehicle or 100,000 miles on the odometer, whichever comes first. It covers the cost of all parts and labor needed to repair a powertrain component listed below that is defective in workmanship and materials

Please keep this letter in your glove box along with your vehicle's other warranty information for future reference if necessary. All the other terms and conditions and the "What's Not Covered" items of your warranty remain the same as stated in your Warranty Information book.

Parts Covered

The Powertrain Limited Warranty covers these parts and components of your vehicle's powertrain supplied by FCA US LLC

Gasoline Engine: Cylinder Block and all Internal Parts; Cylinder Head Assemblies; Timing Case, Timing Chain, Timing Belt, Gears and Sprockets; Vibration Damper; Oil Pump, Water Pump and Housing; Intake and Exhaust Manifolds; Flywheel with Starter Ring Gear; Core Plugs; Valve Covers; Oil Pan; Turbocharger Housing and Internal Parts; Turbocharger Wastegate Actuator; Supercharger; Serpentine Belt Tensioner; Seals and Gaskets for listed components only.

Transmission: Transmission Case and all Internal Parts; Torque Converter; Drive/Flex Plate; Transmission Range Switch; Speed Sensors; Pressure Sensors; Transmission Control Module; Bell Housing; Oil Pan; Seals and Gaskets for listed components only.
NOTE: MANUAL TRANSMISSION CLUTCH PARTS ARE NOT COVERED AT ANY TIME.

Front Wheel Drive: Transaxle Case and all Internal Parts; Axle Shaft Assemblies; Constant Velocity Joints and Boots; Differential Cover; Oil Pan; Transaxle Speed Sensors; Transaxle Solenoid Assembly; PRNDL Position Switch; Transaxle Electronic Controller; Torque Converter; Seals and Gaskets for listed components only.
NOTE: MANUAL TRANSMISSION CLUTCH PARTS ARE NOT COVERED AT ANY TIME.

All-Wheel Drive (AWD): Power Transfer Unit and all Internal Parts; Viscous Coupler; Axle Housing and all Internal Parts; Constant Velocity Joints and Boots; Drive Shaft and Axle Shaft Assemblies; Differential Carrier Assembly and all Internal Parts; Output Ball Bearing; Output Flange; End Cover; Overrunning Clutch; Vacuum Motor; Torque Tube; Pinion Spacer and Shim; Seals and Gaskets for listed components only.

Rear Wheel Drive: Rear Axle Housing and all Internal Parts; Axle Shafts; Axle Shaft Bearings; Drive Shaft Assemblies; Drive Shaft Center Bearings; Universal Joints and Yokes; Seals and Gaskets for listed components only.

Four-Wheel Drive (4x4): Transfer Case and all Internal Parts; transfer case control module and shift mode motor assembly Axle Housing and all Internal Parts; Axles Shafts; Axle Shaft Bearings; Drive Shafts Assemblies (Front and Rear); Drive Shaft Center Bearings; Universal Joints and Yokes; Disconnect Housing Assembly; Seals and Gaskets for the listed components only.

HOW TO GET WARRANTY SERVICE

Where to Take Your Vehicle

In the United States (We Include U.S. Possessions and Territories as Part of the United States for Warranty Purposes): Warranty service must be done by an authorized Chrysler, Dodge, Jeep or Ram dealer. We strongly recommend that you take your vehicle to your Selling Dealer. They know you and your vehicle best, and are most concerned that you get prompt and high quality service. If you move within the United States, warranty service may be requested from any authorized Chrysler, Dodge, Jeep or Ram dealer.

In Canada and Mexico: If you are traveling temporarily in Canada or Mexico, and your vehicle remains registered in the United States, your FCA US warranty still applies. Service may be requested at any authorized Chrysler, Dodge, Jeep or Ram dealership.

WHAT IS NOT COVERED UNDER THIS FCA US LLC LIMITED WARRANTY

Some Modifications Don't Void the Warranty But Aren't Covered

Certain changes that you might make to your vehicle do not, by themselves, void this warranty Examples of some of these changes are: (a) installing non-FCA US LLC ("FCA") parts, components, or equipment (such as a non-FCA radio or speed control); and (b)using special non-FCA materials or additives.

But your warranty does not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor does it cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-FCA parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA parts. Repairs or adjustments caused by their use are not covered under your warranty. Examples of the types of alterations not covered are: (a) installing accessories - except for genuine FCA / MOPAR accessories installed by an authorized Chrysler, Dodge, Jeep or Ram dealer; (b)

applying rustproofing or other protection products; (c) changing the vehicle's configuration or dimensions, such as converting the vehicle into a limousine or food service vehicle; or (d) using any refrigerant that FCA has not approved.

Environmental Factors Not Covered
Your warranty does not cover damage caused by environmental factors such as airborne fallout, bird droppings, insect damage, chemicals, tree sap, salt, ocean spray, acid rain, and road hazards. Nor does your warranty cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranty does not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

Maintenance Costs Not Covered
Your warranty does not cover the costs of repairing damage caused by poor or improper maintenance. Nor does it cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranty does not cover the costs of your vehicle's normal or scheduled maintenance - the parts and services that all vehicles routinely need. Some of these parts and services, which your warranty does cover, include: (a) lubrication; (b) engine tune-ups; (c) replacing filters, coolant, spark plugs, bulbs, or fuses (unless those costs result from a covered repair); (d) cleaning and polishing; and (e) replacing worn wiper blades, worn brake pads and linings, or clutch linings.

Racing Not Covered
Your warranty does not cover the costs of repairing damage or conditions caused by racing, nor does it cover the repair of any defects that are found as the result of participating in a racing event.

Certain Kinds of Corrosion Not Covered
Your warranty does not cover the following: (a) corrosion caused by accident, damage, abuse, or vehicle alteration; (b) surface corrosion caused by such things as industrial fallout, sand, salt, hail, ocean spray, and stones; (c) corrosion caused by the extensive or abnormal transport of caustic materials like chemicals, acids, and fertilizers; and (d) corrosion of special bodies, body conversions, or equipment that was not on your vehicle when it left the manufacturing plant or was not supplied by FCA.

Other Exclusions
Your warranty does not cover the costs of repairing damage or conditions caused by any of the following: (a) fire or accident; (b) abuse or negligence; (c) misuse - for example, driving over curbs or overloading; (d) tampering with the emission systems, or with a part that could affect the emission systems; (e) use of used parts, even if they were originally supplied by FCA (however, authorized FCA / MOPAR remanufactured parts are covered); (f) windshield or rear window damage from external objects; (g) any changes made to your vehicle that don't comply with FCA; or (h) using any fluid that doesn't meet the minimum recommendations in your Owner's Manual.

Total Loss, Salvage, Junk, or Scrap Vehicles Not Covered
A vehicle has no warranty coverage of any kind if: (a) the vehicle is declared to be a total loss by an insurance company; (b) the vehicle is rebuilt after being declared to be a total loss by an insurance company; or (c) the vehicle is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt," "scrap," or some similar word.

FCA will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

Restricted Warranty
Your warranty can also be restricted by FCA. FCA may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA before covered repairs are performed.

Registration and Operation Requirements
This Limited Warranty covers your vehicle only if: (a) it is registered in the U.S.; (b) it is driven mainly in the U.S. or Canada, and (c) it is operated and maintained in the manner described in your Owner's Manual.

There is no Limited Warranty coverage on your Vehicle if it is sold, registered or operated, other than temporarily, by you, outside of the United States (including the 50 states, the District of Columbia, Puerto Rico, or Guam).

Other Terms of These Limited Warranties
Punitive, exemplary or multiple damages may not be recovered unless applicable state or local law prohibits this disclaimer. No person, including FCA US LLC employees or dealers, may modify or waive any part of this Limited Warranty.

General Information
It's your responsibility to properly maintain and operate your new vehicle. Follow the instructions contained in the General and Scheduled Maintenance Service guidelines in your Owner's Manual. Regular, scheduled maintenance is essential to trouble-free operation. If there is a dispute between you and FCA US concerning your maintenance of your vehicle, FCA US will require you to provide proof that your vehicle was properly maintained.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 3/4 Ton Crew Cab Pickup 4X4** will be received at Douglas City Hall, 101 N. 4th Street, until **1:30 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Devon Litzsinger, Deputy City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 3/4 Ton Crew Cab Pickup 4X4. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid reception **will not be considered.** All bids must be clearly marked "One New 2025 3/4 Ton Crew Cab Pickup **"** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications,

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

Agenda Item Report
City Council – July 28, 2025

Item
One New 2025 1 Ton Ext. Cab 4x4 With Utility Box Unit #129

Responsible Staff Contact

Recommendation
Accept the bid from Greiner Ford bid #3 in the amount of $70,648.00 and furthermore authorize the City Manager to sign all associated documents.

Executive Summary
The proposed purchase of a new service pickup for Streets and Alleys Dept,
Proposed replacement with a budget of $77,000.00

Seven bids were received: Sheridan Motors-Ram for-$67,662.00
Sheridan Motors-GMC for- $68,602.00
Greiner Ford of Casper #1 for- $70,565.00
Greiner Ford of Casper #2 for-$69,484.00
Greiner Ford of Casper #3 for- $70,648.00
Greiner Ford of Casper #4 for- $73,442.00
Fremont Motors-Ford for- $72,920.66

Sheridan Motors Ram and GMC did not meet specifications. Fremont and Greiner did meet specs,
Fremont was highest.

Background
The existing Unit #129 is a 2005 Ram 2500 service truck with 150,000 miles on the odometer.
It started as the on-call truck for the Water/Sewer Dept. and has since been transferred to the Streets and Alleys Dept. High milage and engine hours are the basis for recommended replacement.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **2:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

Bidder Initials: RJ

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT 129** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

Bidder Initials: _____

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications, the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **2:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

Bidder Initials: _____

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT 129** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice.** (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

FCA Fleet Powertrain Care
5 Year / 100,000 Mile Limited Warranty Extension
($0 Deductible)

Incl

THIS LIMITED WARRANTY IS PROVIDED TO OWNERS of a 2016 through 2026 Model Year Chrysler, Dodge, Jeep and Ram vehicles (excluding vehicles equipped with diesel engines) who purchased it through FCA US LLC specifically for Fleet Government Bid/Leases and Fleet Commercial/ Lease orders only.

YOUR LEGAL RIGHTS UNDER THIS LIMITED WARRANTY

This warranty is the express warranty FCA US LLC ("FCA") makes for your vehicle. This warranty gives you specific legal rights. You may also have other rights that vary from state to state. For example, you may have some implied warranties, depending on the state where your vehicle was sold or is registered.

These implied warranties are limited, to the extent allowed by law, to the time periods covered by this express written warranty.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply and FCA completely disclaims them to the extent allowed by law. And the implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Incidental and Consequential Damages Not Covered

Your warranty does not cover any incidental or consequential damages connected with your vehicle's failure, either while under warranty or afterward. Examples of such damages include: (a) lost time; (b) inconvenience; (c) the loss of the use of your vehicle; (d) the cost of rental vehicles, gasoline, telephone, travel, or lodging; (e) the loss of personal or commercial property; and (f) the loss of revenue.

Some states don't allow incidental or consequential damages to be excluded or limited, so this exclusion may not apply to you.

Persons to Whom the Limited Warranty is Offered

This Limited Warranty is provided to owners of a 2016 through 2026 Model Year Chrysler, Dodge, Jeep and Ram vehicles (excluding vehicles equipped with diesel engines) who purchased it through FCA US LLC specifically for Fleet Government Bid/Leases and Fleet Commercial/ Lease orders only.

What This Limited Warranty Extension Covers

This Powertrain Limited Warranty is a part of your New Vehicle Limited Warranty. It extends the 5 year or 60,000-mile powertrain limited warranty on mechanical components of the vehicle to 5 years from the in service date of the vehicle or 100,000 miles on the odometer, whichever comes first. It covers the cost of all parts and labor needed to repair a powertrain component listed below that is defective in workmanship and materials

Please keep this letter in your glove box along with your vehicle's other warranty information for future reference if necessary. All the other terms and conditions and the "What's Not Covered" items of your warranty remain the same as stated in your Warranty Information book.

Parts Covered

The Powertrain Limited Warranty covers these parts and components of your vehicle's powertrain supplied by FCA US LLC

Gasoline Engine: Cylinder Block and all Internal Parts; Cylinder Head Assemblies; Timing Case, Timing Chain, Timing Belt, Gears and Sprockets; Vibration Damper; Oil Pump, Water Pump and Housing; Intake and Exhaust Manifolds; Flywheel with Starter Ring Gear; Core Plugs; Valve Covers; Oil Pan; Turbocharger Housing and Internal Parts; Turbocharger Wastegate Actuator; Supercharger; Serpentine Belt Tensioner; Seals and Gaskets for listed components only.

Transmission: Transmission Case and all Internal Parts; Torque Converter; Drive/Flex Plate; Transmission Range Switch; Speed Sensors; Pressure Sensors; Transmission Control Module; Bell Housing; Oil Pan; Seals and Gaskets for listed components only.
NOTE: MANUAL TRANSMISSION CLUTCH PARTS ARE NOT COVERED AT ANY TIME.

Front Wheel Drive: Transaxle Case and all Internal Parts; Axle Shaft Assemblies; Constant Velocity Joints and Boots; Differential Cover; Oil Pan; Transaxle Speed Sensors; Transaxle Solenoid Assembly; PRNDL Position Switch; Transaxle Electronic Controller; Torque Converter; Seals and Gaskets for listed components only.
NOTE: MANUAL TRANSMISSION CLUTCH PARTS ARE NOT COVERED AT ANY TIME.

All-Wheel Drive (AWD): Power Transfer Unit and all Internal Parts; Viscous Coupler; Axle Housing and all Internal Parts; Constant Velocity Joints and Boots; Drive Shaft and Axle Shaft Assemblies; Differential Carrier Assembly and all Internal Parts; Output Ball Bearing; Output Flange; End Cover; Overrunning Clutch; Vacuum Motor; Torque Tube; Pinion Spacer and Shim; Seals and Gaskets for listed components only.

Rear Wheel Drive: Rear Axle Housing and all Internal Parts; Axle Shafts; Axle Shaft Bearings; Drive Shaft Assemblies; Drive Shaft Center Bearings; Universal Joints and Yokes; Seals and Gaskets for listed components only.

Four-Wheel Drive (4x4): Transfer Case and all Internal Parts; transfer case control module and shift mode motor assembly Axle Housing and all Internal Parts; Axles Shafts; Axle Shaft Bearings; Drive Shafts Assemblies (Front and Rear); Drive Shaft Center Bearings; Universal Joints and Yokes; Disconnect Housing Assembly; Seals and Gaskets for the listed components only.

HOW TO GET WARRANTY SERVICE

Where to Take Your Vehicle

In the United States (We Include U.S. Possessions and Territories as Part of the United States for Warranty Purposes): Warranty service must be done by an authorized Chrysler, Dodge, Jeep or Ram dealer. We strongly recommend that you take your vehicle to your Selling Dealer. They know you and your vehicle best, and are most concerned that you get prompt and high quality service. If you move within the United States, warranty service may be requested from any authorized Chrysler, Dodge, Jeep or Ram dealer.

In Canada and Mexico: If you are traveling temporarily in Canada or Mexico, and your vehicle remains registered in the United States, your FCA US warranty still applies. Service may be requested at any authorized Chrysler, Dodge, Jeep or Ram dealership.

WHAT IS NOT COVERED UNDER THIS FCA US LLC LIMITED WARRANTY

Some Modifications Don't Void the Warranty But Aren't Covered

Certain changes that you might make to your vehicle do not, by themselves, void this warranty Examples of some of these changes are: (a) installing non-FCA US LLC ("FCA") parts, components, or equipment (such as a non-FCA radio or speed control); and (b)using special non-FCA materials or additives.

But your warranty does not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor does it cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-FCA parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA parts. Repairs or adjustments caused by their use are not covered under your warranty. Examples of the types of alterations not covered are: (a) installing accessories - except for genuine FCA / MOPAR accessories installed by an authorized Chrysler, Dodge, Jeep or Ram dealer; (b)

applying rustproofing or other protection products; (c) changing the vehicle's configuration or dimensions, such as converting the vehicle into a limousine or food service vehicle; or (d) using any refrigerant that FCA has not approved.

Environmental Factors Not Covered
Your warranty does not cover damage caused by environmental factors such as airborne fallout, bird droppings, insect damage, chemicals, tree sap, salt, ocean spray, acid rain, and road hazards. Nor does your warranty cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranty does not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

Maintenance Costs Not Covered
Your warranty does not cover the costs of repairing damage caused by poor or improper maintenance. Nor does it cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranty does not cover the costs of your vehicle's normal or scheduled maintenance - the parts and services that all vehicles routinely need. Some of these parts and services, which your warranty does cover, include: (a) lubrication; (b) engine tune-ups; (c) replacing filters, coolant, spark plugs, bulbs, or fuses (unless those costs result from a covered repair); (d) cleaning and polishing; and (e) replacing worn wiper blades, worn brake pads and linings, or clutch linings.

Racing Not Covered
Your warranty does not cover the costs of repairing damage or conditions caused by racing, nor does it cover the repair of any defects that are found as the result of participating in a racing event.

Certain Kinds of Corrosion Not Covered
Your warranty does not cover the following: (a) corrosion caused by accident, damage, abuse, or vehicle alteration; (b) surface corrosion caused by such things as industrial fallout, sand, salt, hail, ocean spray, and stones; (c) corrosion caused by the extensive or abnormal transport of caustic materials like chemicals, acids, and fertilizers; and (d) corrosion of special bodies, body conversions, or equipment that was not on your vehicle when it left the manufacturing plant or was not supplied by FCA.

Other Exclusions
Your warranty does not cover the costs of repairing damage or conditions caused by any of the following: (a) fire or accident; (b) abuse or negligence; (c) misuse - for example, driving over curbs or overloading; (d) tampering with the emission systems, or with a part that could affect the emission systems; (e) use of used parts, even if they were originally supplied by FCA (however, authorized FCA / MOPAR remanufactured parts are covered); (f) windshield or rear window damage from external objects; (g) any changes made to your vehicle that don't comply with FCA; or (h) using any fluid that doesn't meet the minimum recommendations in your Owner's Manual.

Total Loss, Salvage, Junk, or Scrap Vehicles Not Covered
A vehicle has no warranty coverage of any kind if: (a) the vehicle is declared to be a total loss by an insurance company; (b) the vehicle is rebuilt after being declared to be a total loss by an insurance company; or (c) the vehicle is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt," "scrap," or some similar word.

FCA will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

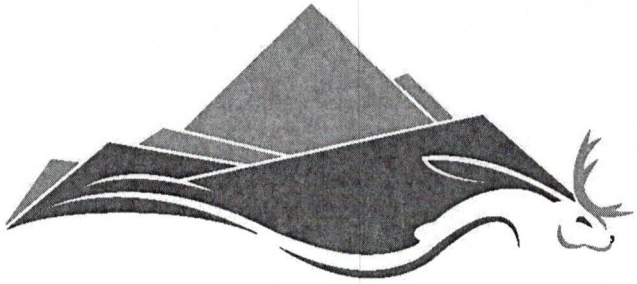
Restricted Warranty
Your warranty can also be restricted by FCA. FCA may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA before covered repairs are performed.

Registration and Operation Requirements
This Limited Warranty covers your vehicle only if: (a) it is registered in the U.S.; (b) it is driven mainly in the U.S. or Canada, and (c) it is operated and maintained in the manner described in your Owner's Manual.

There is no Limited Warranty coverage on your Vehicle if it is sold, registered or operated, other than temporarily, by you, outside of the United States (including the 50 states, the District of Columbia, Puerto Rico, or Guam).

Other Terms of These Limited Warranties
Punitive, exemplary or multiple damages may not be recovered unless applicable state or local law prohibits this disclaimer. No person, including FCA US LLC employees or dealers, may modify or waive any part of this Limited Warranty.

General Information
It's your responsibility to properly maintain and operate your new vehicle. Follow the instructions contained in the General and Scheduled Maintenance Service guidelines in your Owner's Manual. Regular, scheduled maintenance is essential to trouble-free operation. If there is a dispute between you and FCA US concerning your maintenance of your vehicle, FCA US will require you to provide proof that your vehicle was properly maintained.



CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **2:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box**.** Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT 129** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

Bidder Initials:

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications, the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **2:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT 129** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

Bidder Initials: ES

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications, the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

SPRAY-ON BEDLINER

Get watertight and airtight bed protection. Our factory-installed bedliner resists rust, corrosion and surface abrasion while giving you a safer, slip-resistant surface.

STAINLESS STEEL T-HANDLE LOCKS

If you need a higher level of security, compartment doors can be upgraded to three-point locking with T-handles that provide extra resistance to prying and tampering.

RETRACTABLE UTILITY BED COVER (RUBC)

Our RUBC protects the cargo area from weather and keeps valuables secure. It's available as a manual spring action cover or with an electric motor operated by a manual switch or an optional hands-free remote. (Sold separately)

STEEL SLIDING TOP

Our steel sliding top is another smart way to secure items placed in the truck body center deck. It slides on full-length galvannealed steel tracks for easy opening and closing while a two-point positive action stainless steel T-handle lock secures your tools and gear.

July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **2:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT 129** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

Bidder Initials: ES

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications, the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **2:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT 129** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

Bidder Initials: ES

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications, the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **2:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

Bidder Initials: ES

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received by **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT 129** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

Bidder Initials: ES

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications, the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

Agenda Item Report
City Council – July 28, 2025

Item
One New 2025 1 Ton Ext. Cab 4x4 With Utility Box Unit #179

Responsible Staff Contact

Recommendation
Accept the bid from Greiner Ford for a 2025 Ford 1-ton ext. Cab Utility Pickup for the sum of $71,637.00 for a new meter Pickup.

Executive Summary
The proposed purchase of a new service truck to replace the Old unit #179
Proposed replacement with a budget of $67,000.00. Plus $4,637.00

Five (5) bids were received: Greiner Ford-Ford #1- $71,637.00
Greiner Ford-Ford #2- $75,935.00
Sheridan Motors-GMC- $70,806.00
Sheridan Motors-Ram- $70,806.00
Fremont Motors-Ford- $75,163.00

Sheridan Motors Ram and GMC did not meet specifications, all others did meet specifications

Background
The existing Unit #179 is a 2007 Dodge 1500 that shows its age from years of use int the field. The engine uses oil as well as systems failing due to age and inability to obtain some parts needed. A new replacement is recommended.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **3:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 3/4 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT #179** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.
4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line item specification. Where submitted literature does not support the meeting of these specifications,

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **3:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 3/4 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT #179** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.
4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line item specification. Where submitted literature does not support the meeting of these specifications,

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line item specification. Where submitted literature does not support the meeting of these specifications,

Bidder Initials: _____

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **3:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

Bidder Initials: BO

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 3/4 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT #179** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.
4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line item specification. Where submitted literature does not support the meeting of these specifications,

Bidder Initials: RD

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

FCA Fleet Powertrain Care
5 Year / 100,000 Mile Limited Warranty Extension
($0 Deductible)

Incl

THIS LIMITED WARRANTY IS PROVIDED TO OWNERS of a 2016 through 2026 Model Year Chrysler, Dodge, Jeep and Ram vehicles (excluding vehicles equipped with diesel engines) who purchased it through FCA US LLC specifically for Fleet Government Bid/Leases and Fleet Commercial/ Lease orders only.

YOUR LEGAL RIGHTS UNDER THIS LIMITED WARRANTY

This warranty is the express warranty FCA US LLC ("FCA") makes for your vehicle. This warranty gives you specific legal rights. You may also have other rights that vary from state to state. For example, you may have some implied warranties, depending on the state where your vehicle was sold or is registered.

These implied warranties are limited, to the extent allowed by law, to the time periods covered by this express written warranty.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply and FCA completely disclaims them to the extent allowed by law. And the implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Incidental and Consequential Damages Not Covered

Your warranty does not cover any incidental or consequential damages connected with your vehicle's failure, either while under warranty or afterward. Examples of such damages include: (a) lost time; (b) inconvenience; (c) the loss of the use of your vehicle; (d) the cost of rental vehicles, gasoline, telephone, travel, or lodging; (e) the loss of personal or commercial property; and (f) the loss of revenue.

Some states don't allow incidental or consequential damages to be excluded or limited, so this exclusion may not apply to you.

Persons to Whom the Limited Warranty is Offered

This Limited Warranty is provided to owners of a 2016 through 2026 Model Year Chrysler, Dodge, Jeep and Ram vehicles (excluding vehicles equipped with diesel engines) who purchased it through FCA US LLC specifically for Fleet Government Bid/Leases and Fleet Commercial/ Lease orders only.

What This Limited Warranty Extension Covers

This Powertrain Limited Warranty is a part of your New Vehicle Limited Warranty. It extends the 5 year or 60,000-mile powertrain limited warranty on mechanical components of the vehicle to 5 years from the in service date of the vehicle or 100,000 miles on the odometer, whichever comes first. It covers the cost of all parts and labor needed to repair a powertrain component listed below that is defective in workmanship and materials

Please keep this letter in your glove box along with your vehicle's other warranty information for future reference if necessary. All the other terms and conditions and the "What's Not Covered" items of your warranty remain the same as stated in your Warranty Information book.

Parts Covered

The Powertrain Limited Warranty covers these parts and components of your vehicle's powertrain supplied by FCA US LLC

Gasoline Engine: Cylinder Block and all Internal Parts; Cylinder Head Assemblies; Timing Case, Timing Chain, Timing Belt, Gears and Sprockets; Vibration Damper; Oil Pump, Water Pump and Housing; Intake and Exhaust Manifolds; Flywheel with Starter Ring Gear; Core Plugs; Valve Covers; Oil Pan; Turbocharger Housing and Internal Parts; Turbocharger Wastegate Actuator; Supercharger; Serpentine Belt Tensioner; Seals and Gaskets for listed components only.

Transmission: Transmission Case and all Internal Parts; Torque Converter; Drive/Flex Plate; Transmission Range Switch; Speed Sensors; Pressure Sensors; Transmission Control Module; Bell Housing; Oil Pan; Seals and Gaskets for listed components only.
NOTE: MANUAL TRANSMISSION CLUTCH PARTS ARE NOT COVERED AT ANY TIME.

Front Wheel Drive: Transaxle Case and all Internal Parts; Axle Shaft Assemblies; Constant Velocity Joints and Boots; Differential Cover; Oil Pan; Transaxle Speed Sensors; Transaxle Solenoid Assembly; PRNDL Position Switch; Transaxle Electronic Controller; Torque Converter; Seals and Gaskets for listed components only.
NOTE: MANUAL TRANSMISSION CLUTCH PARTS ARE NOT COVERED AT ANY TIME.

All-Wheel Drive (AWD): Power Transfer Unit and all Internal Parts; Viscous Coupler; Axle Housing and all Internal Parts; Constant Velocity Joints and Boots; Drive Shaft and Axle Shaft Assemblies; Differential Carrier Assembly and all Internal Parts; Output Ball Bearing; Output Flange; End Cover; Overrunning Clutch; Vacuum Motor; Torque Tube; Pinion Spacer and Shim; Seals and Gaskets for listed components only.

Rear Wheel Drive: Rear Axle Housing and all Internal Parts; Axle Shafts; Axle Shaft Bearings; Drive Shaft Assemblies; Drive Shaft Center Bearings; Universal Joints and Yokes; Seals and Gaskets for listed components only.

Four-Wheel Drive (4x4): Transfer Case and all Internal Parts; transfer case control module and shift mode motor assembly Axle Housing and all Internal Parts; Axles Shafts; Axle Shaft Bearings; Drive Shafts Assemblies (Front and Rear); Drive Shaft Center Bearings; Universal Joints and Yokes; Disconnect Housing Assembly; Seals and Gaskets for the listed components only.

HOW TO GET WARRANTY SERVICE

Where to Take Your Vehicle

In the United States (We Include U.S. Possessions and Territories as Part of the United States for Warranty Purposes): Warranty service must be done by an authorized Chrysler, Dodge, Jeep or Ram dealer. We strongly recommend that you take your vehicle to your Selling Dealer. They know you and your vehicle best, and are most concerned that you get prompt and high quality service. If you move within the United States, warranty service may be requested from any authorized Chrysler, Dodge, Jeep or Ram dealer.

In Canada and Mexico: If you are traveling temporarily in Canada or Mexico, and your vehicle remains registered in the United States, your FCA US warranty still applies. Service may be requested at any authorized Chrysler, Dodge, Jeep or Ram dealership.

WHAT IS NOT COVERED UNDER THIS FCA US LLC LIMITED WARRANTY

Some Modifications Don't Void the Warranty But Aren't Covered

Certain changes that you might make to your vehicle do not, by themselves, void this warranty Examples of some of these changes are: (a) installing non-FCA US LLC ("FCA") parts, components, or equipment (such as a non-FCA radio or speed control); and (b)using special non-FCA materials or additives.

But your warranty does not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor does it cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-FCA parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA parts. Repairs or adjustments caused by their use are not covered under your warranty. Examples of the types of alterations not covered are: (a) installing accessories - except for genuine FCA / MOPAR accessories installed by an authorized Chrysler, Dodge, Jeep or Ram dealer; (b)

applying rustproofing or other protection products; (c) changing the vehicle's configuration or dimensions, such as converting the vehicle into a limousine or food service vehicle; or (d) using any refrigerant that FCA has not approved.

Environmental Factors Not Covered
Your warranty does not cover damage caused by environmental factors such as airborne fallout, bird droppings, insect damage, chemicals, tree sap, salt, ocean spray, acid rain, and road hazards. Nor does your warranty cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranty does not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

Maintenance Costs Not Covered
Your warranty does not cover the costs of repairing damage caused by poor or improper maintenance. Nor does it cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranty does not cover the costs of your vehicle's normal or scheduled maintenance - the parts and services that all vehicles routinely need. Some of these parts and services, which your warranty does cover, include: (a) lubrication; (b) engine tune-ups; (c) replacing filters, coolant, spark plugs, bulbs, or fuses (unless those costs result from a covered repair); (d) cleaning and polishing; and (e) replacing worn wiper blades, worn brake pads and linings, or clutch linings.

Racing Not Covered
Your warranty does not cover the costs of repairing damage or conditions caused by racing, nor does it cover the repair of any defects that are found as the result of participating in a racing event.

Certain Kinds of Corrosion Not Covered
Your warranty does not cover the following: (a) corrosion caused by accident, damage, abuse, or vehicle alteration; (b) surface corrosion caused by such things as industrial fallout, sand, salt, hail, ocean spray, and stones; (c) corrosion caused by the extensive or abnormal transport of caustic materials like chemicals, acids, and fertilizers; and (d) corrosion of special bodies, body conversions, or equipment that was not on your vehicle when it left the manufacturing plant or was not supplied by FCA.

Other Exclusions
Your warranty does not cover the costs of repairing damage or conditions caused by any of the following: (a) fire or accident; (b) abuse or negligence; (c) misuse - for example, driving over curbs or overloading; (d) tampering with the emission systems, or with a part that could affect the emission systems; (e) use of used parts, even if they were originally supplied by FCA (however, authorized FCA / MOPAR remanufactured parts are covered); (f) windshield or rear window damage from external objects; (g) any changes made to your vehicle that don't comply with FCA; or (h) using any fluid that doesn't meet the minimum recommendations in your Owner's Manual.

Total Loss, Salvage, Junk, or Scrap Vehicles Not Covered
A vehicle has no warranty coverage of any kind if: (a) the vehicle is declared to be a total loss by an insurance company; (b) the vehicle is rebuilt after being declared to be a total loss by an insurance company; or (c) the vehicle is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt," "scrap," or some similar word.

FCA will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

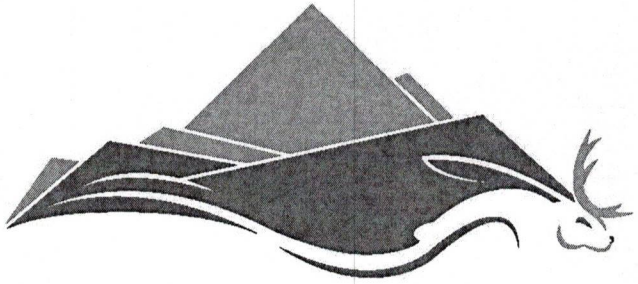
Restricted Warranty
Your warranty can also be restricted by FCA. FCA may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA before covered repairs are performed.

Registration and Operation Requirements
This Limited Warranty covers your vehicle only if: (a) it is registered in the U.S.; (b) it is driven mainly in the U.S. or Canada, and (c) it is operated and maintained in the manner described in your Owner's Manual.

There is no Limited Warranty coverage on your Vehicle if it is sold, registered or operated, other than temporarily, by you, outside of the United States (including the 50 states, the District of Columbia, Puerto Rico, or Guam).

Other Terms of These Limited Warranties
Punitive, exemplary or multiple damages may not be recovered unless applicable state or local law prohibits this disclaimer. No person, including FCA US LLC employees or dealers, may modify or waive any part of this Limited Warranty.

General Information
It's your responsibility to properly maintain and operate your new vehicle. Follow the instructions contained in the General and Scheduled Maintenance Service guidelines in your Owner's Manual. Regular, scheduled maintenance is essential to trouble-free operation. If there is a dispute between you and FCA US concerning your maintenance of your vehicle, FCA US will require you to provide proof that your vehicle was properly maintained.



CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box** will be received at Douglas City Hall, 101 N. 4th Street, until **3:00 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

Bidder Initials: _____

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 1 Ton Ext. Cab 4X4 With Utility Box. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid receipt for **One new 2025 3/4 Ton Ext. Cab 4X4 With Utility Box** on **will not be considered.** All bids must be clearly marked for **One new 2025 1 Ton Ext. Cab 4X4 With Utility Box UNIT #179** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.
4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line item specification. Where submitted literature does not support the meeting of these specifications,

Bidder Initials:

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

Agenda Item Report
City Council – July 28, 2025

Item
One New 2025 1/2 Ton Crew Cab Pickup 4x4

Responsible Staff Contact

Recommendation
Accept the bid from Greiner Ford of Casper for a 2025 ½ Ton Crew Cab Pickup for the sum of $53,375.00 for the Wastewater/ Water Treatment Pickup.

Executive Summary
The proposed purchase of a replacement pickup for doing rounds, everyday tasks and running water samples to Casper when needed.
Proposed replacement with a budget of $65,000.00.

Four bids were received: Greiner Ford-Ford for -$53,375.00
Sheridan GMC for -$54,681.00
Fremont Ford-Ford for -$54,681.00
Sheridan Ram-Ram for -$51,482.00

Greiner and Fremont Motors did meet specs. Sheridan Ram and GMC did not

Background
The City of Douglas Wastewater/ Water Treatment pickup is a 2014 Ford with 95,450 Miles on it. This truck has had a lot of shop time in the last few years, for numerous electrical/computer issues making it somewhat unreliable.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 ½ Ton Crew Cab Pickup 4X4** will be received at Douglas City Hall, 101 N. 4th Street, until **3:30 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 ½ Ton Crew Cab Pickup 4X4. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid reception **will not be considered.** All bids must be clearly marked "One New 2025 ½ Ton Crew Cab Pickup **"** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

of award F

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications,

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 ½ Ton Crew Cab Pickup 4X4** will be received at Douglas City Hall, 101 N. 4th Street, until **3:30 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

Bidder Initials: BO

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 ½ Ton Crew Cab Pickup 4X4. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid reception **will not be considered.** All bids must be clearly marked "One New 2025 ½ Ton Crew Cab Pickup " with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

of award F

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications,

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 ½ Ton Crew Cab Pickup 4X4** will be received at Douglas City Hall, 101 N. 4th Street, until **3:30 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.,** or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

Bidder Initials: BP

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 ½ Ton Crew Cab Pickup 4X4. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid reception **will not be considered.** All bids must be clearly marked "One New 2025 ½ Ton Crew Cab Pickup **"** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

of award F

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications,

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

FCA Fleet Powertrain Care
5 Year / 100,000 Mile Limited Warranty Extension
($0 Deductible)

Incl

THIS LIMITED WARRANTY IS PROVIDED TO OWNERS of a 2016 through 2026 Model Year Chrysler, Dodge, Jeep and Ram vehicles (excluding vehicles equipped with diesel engines) who purchased it through FCA US LLC specifically for Fleet Government Bid/Leases and Fleet Commercial/ Lease orders only.

YOUR LEGAL RIGHTS UNDER THIS LIMITED WARRANTY

This warranty is the express warranty FCA US LLC ("FCA") makes for your vehicle. This warranty gives you specific legal rights. You may also have other rights that vary from state to state. For example, you may have some implied warranties, depending on the state where your vehicle was sold or is registered.

These implied warranties are limited, to the extent allowed by law, to the time periods covered by this express written warranty.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply and FCA completely disclaims them to the extent allowed by law. And the implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Incidental and Consequential Damages Not Covered

Your warranty does not cover any incidental or consequential damages connected with your vehicle's failure, either while under warranty or afterward. Examples of such damages include: (a) lost time; (b) inconvenience; (c) the loss of the use of your vehicle; (d) the cost of rental vehicles, gasoline, telephone, travel, or lodging; (e) the loss of personal or commercial property; and (f) the loss of revenue.

Some states don't allow incidental or consequential damages to be excluded or limited, so this exclusion may not apply to you.

Persons to Whom the Limited Warranty is Offered

This Limited Warranty is provided to owners of a 2016 through 2026 Model Year Chrysler, Dodge, Jeep and Ram vehicles (excluding vehicles equipped with diesel engines) who purchased it through FCA US LLC specifically for Fleet Government Bid/Leases and Fleet Commercial/ Lease orders only.

What This Limited Warranty Extension Covers

This Powertrain Limited Warranty is a part of your New Vehicle Limited Warranty. It extends the 5 year or 60,000-mile powertrain limited warranty on mechanical components of the vehicle to 5 years from the in service date of the vehicle or 100,000 miles on the odometer, whichever comes first. It covers the cost of all parts and labor needed to repair a powertrain component listed below that is defective in workmanship and materials

Please keep this letter in your glove box along with your vehicle's other warranty information for future reference if necessary. All the other terms and conditions and the "What's Not Covered" items of your warranty remain the same as stated in your Warranty Information book.

Parts Covered

The Powertrain Limited Warranty covers these parts and components of your vehicle's powertrain supplied by FCA US LLC

HOW TO GET WARRANTY SERVICE

Where to Take Your Vehicle

In the United States (We Include U.S. Possessions and Territories as Part of the United States for Warranty Purposes): Warranty service must be done by an authorized Chrysler, Dodge, Jeep or Ram dealer. We strongly recommend that you take your vehicle to your Selling Dealer. They know you and your vehicle best, and are most concerned that you get prompt and high quality service. If you move within the United States, warranty service may be requested from any authorized Chrysler, Dodge, Jeep or Ram dealer.

In Canada and Mexico: If you are traveling temporarily in Canada or Mexico, and your vehicle remains registered in the United States, your FCA US warranty still applies. Service may be requested at any authorized Chrysler, Dodge, Jeep or Ram dealership.

WHAT IS NOT COVERED UNDER THIS FCA US LLC LIMITED WARRANTY

Some Modifications Don't Void the Warranty But Aren't Covered

Certain changes that you might make to your vehicle do not, by themselves, void this warranty Examples of some of these changes are: (a) installing non-FCA US LLC ("FCA") parts, components, or equipment (such as a non-FCA radio or speed control); and (b)using special non-FCA materials or additives.

But your warranty does not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor does it cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-FCA parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA parts. Repairs or adjustments caused by their use are not covered under your warranty. Examples of the types of alterations not covered are: (a) installing accessories - except for genuine FCA / MOPAR accessories installed by an authorized Chrysler, Dodge, Jeep or Ram dealer; (b)

applying rustproofing or other protection products; (c) changing the vehicle's configuration or dimensions, such as converting the vehicle into a limousine or food service vehicle; or (d) using any refrigerant that FCA has not approved.

Environmental Factors Not Covered
Your warranty does not cover damage caused by environmental factors such as airborne fallout, bird droppings, insect damage, chemicals, tree sap, salt, ocean spray, acid rain, and road hazards. Nor does your warranty cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranty does not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

Maintenance Costs Not Covered
Your warranty does not cover the costs of repairing damage caused by poor or improper maintenance. Nor does it cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranty does not cover the costs of your vehicle's normal or scheduled maintenance - the parts and services that all vehicles routinely need. Some of these parts and services, which your warranty does cover, include: (a) lubrication; (b) engine tune-ups; (c) replacing filters, coolant, spark plugs, bulbs, or fuses (unless those costs result from a covered repair); (d) cleaning and polishing; and (e) replacing worn wiper blades, worn brake pads and linings, or clutch linings.

Racing Not Covered
Your warranty does not cover the costs of repairing damage or conditions caused by racing, nor does it cover the repair of any defects that are found as the result of participating in a racing event.

Certain Kinds of Corrosion Not Covered
Your warranty does not cover the following: (a) corrosion caused by accident, damage, abuse, or vehicle alteration; (b) surface corrosion caused by such things as industrial fallout, sand, salt, hail, ocean spray, and stones; (c) corrosion caused by the extensive or abnormal transport of caustic materials like chemicals, acids, and fertilizers; and (d) corrosion of special bodies, body conversions, or equipment that was not on your vehicle when it left the manufacturing plant or was not supplied by FCA.

Other Exclusions
Your warranty does not cover the costs of repairing damage or conditions caused by any of the following: (a) fire or accident; (b) abuse or negligence; (c) misuse - for example, driving over curbs or overloading; (d) tampering with the emission systems, or with a part that could affect the emission systems; (e) use of used parts, even if they were originally supplied by FCA (however, authorized FCA / MOPAR remanufactured parts are covered); (f) windshield or rear window damage from external objects; (g) any changes made to your vehicle that don't comply with FCA; or (h) using any fluid that doesn't meet the minimum recommendations in your Owner's Manual.

Total Loss, Salvage, Junk, or Scrap Vehicles Not Covered
A vehicle has no warranty coverage of any kind if: (a) the vehicle is declared to be a total loss by an insurance company; (b) the vehicle is rebuilt after being declared to be a total loss by an insurance company; or (c) the vehicle is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt," "scrap," or some similar word.

FCA will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

Restricted Warranty
Your warranty can also be restricted by FCA. FCA may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA before covered repairs are performed.

Registration and Operation Requirements
This Limited Warranty covers your vehicle only if: (a) it is registered in the U.S.; (b) it is driven mainly in the U.S. or Canada, and (c) it is operated and maintained in the manner described in your Owner's Manual.

There is no Limited Warranty coverage on your Vehicle if it is sold, registered or operated, other than temporarily, by you, outside of the United States (including the 50 states, the District of Columbia, Puerto Rico, or Guam).

Other Terms of These Limited Warranties
Punitive, exemplary or multiple damages may not be recovered unless applicable state or local law prohibits this disclaimer. No person, including FCA US LLC employees or dealers, may modify or waive any part of this Limited Warranty.

General Information
It's your responsibility to properly maintain and operate your new vehicle. Follow the instructions contained in the General and Scheduled Maintenance Service guidelines in your Owner's Manual. Regular, scheduled maintenance is essential to trouble-free operation. If there is a dispute between you and FCA US concerning your maintenance of your vehicle, FCA US will require you to provide proof that your vehicle was properly maintained.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 1, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One new 2025 ½ Ton Crew Cab Pickup 4X4** will be received at Douglas City Hall, 101 N. 4th Street, until **3:30 PM** MST on **July 23RD** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4TH St.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025** , Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for One New 2025 ½ Ton Crew Cab Pickup 4X4. Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid reception **will not be considered.** All bids must be clearly marked "One New 2025 ½ Ton Crew Cab Pickup " with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at City Hall 101 N. 4th **ST.** Douglas Wyoming 82633, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

of award F

4. Delivery will be accepted **120 days after notice**. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications,

Bidder Initials:

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

Agenda Item Report
City Council – July 28, 2025

Item
One New Compact 4WD Tractor

Responsible Staff Contact
Blake Palmer, John Harbarger, Josh Oberlander

Recommendation
Accept the bid from Stotz Equipment in the amount of $50,700 as presented and furthermore authorize the City Manager to sign all associated documents.

Executive Summary
The proposed purchase of a replacement for Unit #145 for mowing Right of Ways. Proposed replacement with a budget of $54,000.00.

One bid was received: Stotz Equipment -$50,700.00

No other bids were received

Background
The existing Unit #145 is a 1997 John Deere Tractor, though it still has life left but is not the easiest to operate for summer help use. To prevent unnecessary wear and tear I recommend replacing this machine with a newer model, and transferring the existing unit to the Douglas Landfill.

CITY OF DOUGLAS
INSTRUCTIONS TO BIDDERS – EQUIPMENT AND VEHICLES
July 2nd, 2025

1. DEFINED TERMS

A. The term "OWNER" means the City of Douglas, a municipal corporation, located at 101 North 4th Street, P.O. Box 1030, Douglas, Wyoming 82633.

B. The term "BIDDER" means the individual person or company who submits a bid directly to the Owner and is distinct and separate from a sub-bidder, who submits a bid to a Bidder.

C. The term "SUCCESSFUL BIDDER" means the lowest, qualified, responsible, and responsive Bidder who receives the project award based on the Owner's evaluation.

D. The term "BIDDING DOCUMENTS" includes the instructions to bidders, the bid form (including bid schedule, if applicable), drawings, specifications, and all other proposed documents (including all addenda issued prior to receipt of bids, if applicable).

2. ADVERTISEMENT FOR BIDS

A. Sealed bids for **One New Compact 4WD Tractor** will be received at Douglas City Hall, 101 N. 4th Street, until **1:00 PM** MST on **July 23rd, 2025,** and then will be publicly opened and read aloud. Any bids received after the specified date and time will not be accepted or considered. Approved bidding documents may be obtained at **101 N. 4th ST.**, or on the City of Douglas website at www.cityofdouglas.org under the "Bid Postings" tab. Each bid must be submitted on the bid form. Bids may be subject to the Wyoming Preference Act. Mail submitted bids to the City Clerk, City of Douglas, P.O. Box 1030, Douglas, WY 82633, or deliver to the City Clerk at 101 N. 4th Street, Douglas, WY. To perform public work, the successful Bidder and subcontractors, prior to contract award, shall hold or obtain such licenses as required by State Statutes and federal and local laws and regulations. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.
/s/ Sonya Ortega, City Clerk; Published: **July 9th and July 16th 2025**, Douglas Budget

CITY OF DOUGLAS
BID INFORMATION AND FORMS

1. Sealed bids will be received until **July 23rd, 2025** at the Office of the City Clerk and will be opened and publicly read aloud immediately thereafter in the Conference Room, City of Douglas, Wyoming, 101 North 4th Street, Douglas, Wyoming, for **One New Compact 4WD Tractor.** Demonstrative units will not be accepted or considered in the bid proposal.

2. Bid proposals delivered in person will be received **only** at the Office of the City Clerk. Bids received **after** the time fixed for bid reception **will not be considered.** All bids must be clearly marked **"One New Compact 4WD Tractor"** with the bidder's name and the time and date of the opening on the outside of the envelope. The City of Douglas reserves the right to reject any and all bids, to waive as an informality any irregularities contained in a bid, and to accept the bid that serves the best interests of the City.

3. Approved Specifications and Form of Contract Documents may be obtained at the **City Hall 101 N. 4th St., Douglas Wyoming 82633**, or on the City of Douglas website, www.cityofdouglas.org, under "Bid Postings/Related Documents" section.

4. Delivery will be accepted **180 Days after notice** F.O.B. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.

5. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

6. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the Americans with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator Tony Tolstedt at Douglas City Hall, 101 North 4th Street, Douglas, Wyoming.

7. The City of Douglas hereby notifies all bidders that it will affirmatively ensure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.

8. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line-item specification. Where submitted literature does not support the meeting of these specifications,

the bidder shall outline fully on company letterhead stationery the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

Agenda Item Report
City Council – July 28, 2025

Item
Tandem Dump Truck

Responsible Staff Contact

Recommendation
Recommend accepting the Sourcewell discounted contract price through Floyd's Truck and Equipment in the amount of $211,371.00 for the purchase of a Freightliner 10-yard Dump truck.

Executive Summary
The new 10 yard dump truck's primary use for the Utilities Department, which is critical for water-main breaks and general hauling as needed .
This Purchase will be made through Sourcewell Contract #032824-DAI, Sourcewell is a cooperative purchasing program that provides access to competitively bid contracts. By purchasing the 2025/26 Freightliner 114SD 10-yard Dump truck through Sourcewell, we benefit from pre-negotiated pricing and streamlined procurement processes, ensuring cost-effectiveness and compliance with public purchasing regulations. This approach simplifies the acquisition process and secures a competitive price.

The replacement cost was budgeted at $211,371.00

I received one quote on this equipment as follows:
Floyd's Truck and Equipment (Freightliner 114 SD 10-yard Dump truck). Base: $211,371.00

Background
Our 2000 Sterling model is an aging machine and has become worn down, and sometimes unreliable for emergency use and costly to maintain, posing several operational challenges and inefficiencies. There are three key reasons that necessitate its replacement:
1. Parts becoming obsolete.
2. Years of heavy use (what it was meant for) has left the drivetrain and dump body Worn down to replacement is necessary.
3. Ongoing Issues with Mechanical, Structural and Electrical Systems.

Budget/Fiscal Impact

Fund/Department Equipment: 47-5470-6548
Project/Line Item(s) Dump Truck (Unit #120)
Budgeted Amount $320,000.00
Anticipated Amount $211,371.00

Action Requested/Recommended Motion

Recommend purchasing the Dump truck through Floyd's Truck and Equipment in the amount of $211,371.00 and furthermore, authorize the City Manager to sign all associated documents.

Agenda Item Report
City Council – July 28, 2025

Item
Plow Truck #124

Responsible Staff Contact

Recommendation
Recommend accepting Sourcewell discounted contract price through Floyd's Truck and Equipment in the amount of $305,826.00 for the purchase of the plow truck package.

Executive Summary
The new 6 Yard dump truck will be more effective in service, less downtime for repairs due to age and use. This truck will also have the Force America Hydraulics for live sander and plow. This will be more effective for snow plowing and ice control.
This Purchase will be made through Sourcewell Contract #032824-DAI, Sourcewell is a cooperative purchasing program that provides access to competitively bid contracts. By purchasing the Freightliner SD108 6-yard Dump truck, Byers Plow system and the Swenson salt/sand spreader with wet kit through Sourcewell, we benefit from pre-negotiated pricing and streamlined procurement processes, ensuring cost-effectiveness and compliance with public purchasing regulations. This approach simplifies the acquisition process and secures a competitive price.

The replacement cost was budgeted at $320,000.00

I received one quote on this equipment as follows:
Floyd's Truck and Equipment (6-yard truck with pow and salt/sand spreader). Base: $305,826.00

Background
Our 2006 Dump truck is an aging machine and has become increasingly unreliable and costly to maintain, posing several operational challenges and inefficiencies. There are three key reasons that necessitate its replacement:
1. High Engine hours and worn-out drivetrain.
2. Maintenance and repair costs are increasing, and downtime is increasing.
3. Ongoing Issues with Mechanical and Electrical Systems.

Alignment to Strategic Doing (SD) and/or Other Plans
SD Commitment

SD Commitment Strategy

Budget/Fiscal Impact

Fund/Department Equipment: 47-5470-6547
Vehicles: 47-5470-6548
Project/Line Item(s) Sweep: Streets and Alleys
Budgeted Amount $320,000.00
Anticipated Amount $305,826.00

Action Requested/Recommended Motion

Recommend accepting the Plow Truck Package through Floyd's Truck and Equipment in the amount of $305,826.00 and furthermore, authorize the City Manager to sign all associated documents.

Agenda Item Report
City Council – July 28, 2025

Item
Tree Trimming Contract: Amendment No. 1

Responsible Staff Contact
Brandon Frye

Recommendation
Staff recommends amending the professional services contract tree trimming and removal with Wildwood Tree Service for a two year term.

Executive Summary
Amend professional services contract tree trimming and removal with Wildwood Tree Service extending for a two year term.

Background
November 2023 the City of Douglas Parks Dept. solicited RFQ's for professional services contract tree trimming and removal. The proposal received from Wildwood Tree Service was accepted. Since 2013, Travis Dickau, formerly Bellwood tree service, has been the contract tree service provider for the City of Douglas. Travis has built and maintained an exceptional record for professional work. On occasion, emergency trimming or removal has been requested. Immediate and professional service has always been provided.

3. Wildwood Tree service City of Douglas Proposal Nov 2023

AMENDMENT NUMBER ONE
TO CONTRACT BETWEEN
CITY OF DOUGLAS, WYOMING AND
WILDWOOD TREE SERVICE, LLC

1. Parties. This Contract is made and entered into this __10th__ day of July, 2025, by and between the City of Douglas, Wyoming, a Wyoming municipal corporation (hereinafter referred to as "City"), whose address 101 N. 4th Street, P.O. Box 1030, Douglas, Wyoming 82633 and Wildwood Tree Service, LLC. (hereinafter referred to as "Contractor"), whose mailing address is P.O. Box 4, Glendo, Wyoming 82213.

2. Purpose of Amendment. This Amendment shall constitute the first amendment to the Original Contract between City and Contractor which was duly executed on the 12th day of December, 2023. The purpose of this Amendment is to revise Paragraph 3 of the Original Contract to extend the term of the Original Agreement to June 30, 2027. For and in consideration of the mutual promises and covenants set forth below, City and Contractor agree to the following:

3. Additional Terms of Agreement. It is mutually agreed by and between the parties to revise Paragraph 3 of the Original Contract to read as follows.

> **3. Terms of Contract.** The term of the Contract is from the date of execution of this Contract through June 30th, 2027. The term of this Contract may be extended through mutual agreement of the parties by the amount of time caused by any delays in the work, which were caused through no fault of Contractor.

4. Same Terms and Conditions. With the exception of items explicitly delineated in this Amendment, all terms and conditions of the Original Contract between the City and Contractor shall remain unchanged and in full force and effect.

5. Entirety of Amendment. This Amendment, consisting of two (2) pages presents the entire and integrated Amendment between the parties and supersedes all prior negotiations, representation, and agreements, whether written or oral concerning the subject hereof.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, the City Council has caused this Agreement to be signed and executed in its behalf by its Mayor, and duly attested by its City Clerk, and Contractor has signed and executed this Agreement, the day and year first written above.

CITY OF DOUGLAS, WYOMING:

By: _____
Kim Pexton
Mayor

Attest: _____
Devon Litzsinger
Deputy City Clerk

CONTRACTOR:
WILDWOOD TREE SERVICE, LLC

By: _____

Attest: _____

CONTRACT BETWEEN
CITY OF DOUGLAS, WYOMING AND
WILDWOOD TREE SERVICE, LLC

1. Parties. This Contract is made and entered into this _12th___ day of December, 2023, by and between the City of Douglas, Wyoming, a Wyoming municipal corporation (hereinafter referred to as "City"), whose address 101 N. 4th Street, P.O. Box 1030, Douglas, Wyoming 82633 and Wildwood Tree Service, LLC. (hereinafter referred to as "Contractor"), whose mailing address is P.0. Box 4, Glendo, WY 82213.

2. Purpose of Contract. The purpose of this Contract is for Contractor to professionally prune and trim trees and brush; remove trees, brush, and stumps; and remove debris when necessary, located on City property, right-of-ways, easements and parkways within the City limits. In consideration of the matters described above, and of the mutual benefits and obligations set forth in this Contract, the parties agree as follows:

3. Term of Contract. The term of the Contract is from the date of execution of this Contract through December 31, 2024. The term of this Contract may be extended through mutual agreement of the parties by the amount of time caused by any delays in the work, which were caused through no fault of Contractor.

4. Payment. City agrees to pay Contractor for the services as more fully described in Attachment A, which is attached hereto and incorporated herein. Payment shall be payable to Contractor upon receipt of the invoice for the services herein. The payment shall cover the cost for those services to be provided by Contractor as outlined in Attachment A.

5. Contractor's Responsibilities. Contractor shall perform the following services:

5.01. Contractor shall perform services as outlined in the scope of services as described in Attachment B.

6. Responsibilities of City. City shall cooperate with Contractor in assisting Contractor to perform their services.

7. General Provisions.

7.01 Amendments. Any changes, modifications, revisions or amendments to this Contract which are mutually agreed upon by the parties to this Contract shall be incorporated by written instrument, executed and signed by all parties to this Contract.

7.02. **Applicable Law/Venue**. The construction, interpretation and enforcement of this Contract shall be governed by the laws of the State of Wyoming. The Courts of the State of Wyoming shall have jurisdiction over this Contract and the parties, and the venue shall be the Eighth Judicial District, Converse County, Wyoming. **Contractor agrees that within fifteen (15) working days of the parties signing this Contract to register with the Wyoming Secretary of State as a corporation/ LLC or this Agreement is subject to default/termination in accordance with this agreement.**

7.03. **Compliance with Laws.** Contractor shall keep informed of and comply with all applicable federal, state and local laws and regulations in the performance of this Contract.

7.04. **Entirety of Contract.** This Contract, consisting of six (6) pages, including Attachment A, entitled Scope of Services, consisting of six (6) pages, represents the entire and integrated Contract between the parties and supersedes all prior negotiations, representations, and agreements, whether written or oral.

7.05. **Ethics**. Contractor shall keep informed of and comply with the Wyoming Ethics and Disclosure Act (Wyo. Stat. §9-13-101, et seq.), and any and all ethical standards governing Contractor's profession.

7.06. **Force Majeure**. Neither party shall be liable for failure to perform under this Contract if such failure to perform arises out of causes beyond the control and without the fault or negligence of the nonperforming party. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. This provision shall become effective only if the party failing to perform immediately notifies the other party of the extent and nature of the problem, limits delay in performance to that required by the event, and takes all reasonable steps to minimize delays. This provision shall not be effective unless the failure to perform is beyond the control and without the fault or negligence of the nonperforming party.

7.07. **Indemnification**. Contractor will indemnify, defend and hold harmless parties indemnified under this provision for all Contractors' acts, actions, and neglects, but we will not indemnify, defend or hold harmless any other party for their acts, actions or negligence. Any claim involving contributory negligence shall be handled so each party is responsible and liable for its share of the damages in proportion to its share of negligence. Both parties waive their rights to consequential damages arising out of this agreement.

7.08. **Independent Contractor.** Contractor shall function as an independent contractor for the purposes of this Contract, and shall not be considered an employee of City for any purpose. Contractor shall assume sole responsibility for any debts or liabilities that may be incurred by Contractor in fulfilling the terms of this Contract, and shall be solely responsible for the payment of all federal, state and local taxes which may accrue because of this Contract. Nothing in this Contract shall be

interpreted as authorizing Contractor to incur any obligation of any kind on the behalf of City or its staff. Contractor agrees that no health/hospitalization benefits, workers' compensation and/or similar benefits available to City employees will inure to the benefit of Contractor or Contractor's agents and/or employees as a result of this Contract.

7.09. Ownership of Documents/Work Product. All documents, reports, records, field notes, materials, and data of any kind resulting from performance of this Contract are at all times the property of City.

7.10. Liaison and Notice City and Contractor's designated representatives are as follows:

7.10.01. City's designated representative is J.D. Cox, City Manager, telephone number (307) 358-3462; cellular telephone (307) 306-7667; facsimile (307) 358-6447; and email: jdcox@cityofdouglas.org .

7.10.02. Contractor's project representative is Travis Dickau, telephone number: (307) 351-5793; cellular telephone Same; and email: tdickau@hotmail.com

7.10.03. All notices and invoices required in this Contract shall be in writing, properly addressed to the liaison above, and mailed first-class, postage prepaid. All notices sent via U.S. Postal Services are deemed effective on the date of postmark. Notices and invoices mailed through another carrier (e.g., UPS or FedEx) are effective upon receipt.

7.11. Insurance. Consultant shall maintain the following insurance:

7.11.01. Workers' Compensation and Employers Liability Insurance: Contractor shall provide City proof of workers' compensation coverage for all of its employees who are to work on the project described in this Contract. Contractor's coverage shall be under the Wyoming Workers' Safety and Compensation program, if statutorily required, or such workers' compensation insurance, as appropriate. Contractor's insurance shall include Employer's Liability "Stop Gap" coverage, in an amount not less than Five Hundred Thousand Dollars ($500,000.00) per employee for each accident or disease. Contractor shall also supply to City proof of workers' compensation and employer's liability insurance in each and every subContractor before allowing that subContractor on the project site.

7.11.02. Commercial General Liability Insurance. Contractor shall provide coverage, during the entire term of the Contract, against claims arising out of bodily injury, death, damage to or destruction of the property of others, including loss of use thereof, in an amount not less than one million dollars ($1,000,000.00) per occurrence and two million dollars ($2,000,000.00) general aggregate.

7.11.03. **Business Automobile Liability.** Contractor shall maintain, during the entire contract, automobile liability insurance in an amount not less than one Million dollars ($1,000,000.00) per occurrence.

7.11.04. **Coverage**. All policies required under this Contract shall be in effect for the duration of this Contract and projects. All policies shall be primary and not contributory. Contractor shall pay the premiums on all insurance policies and insurance certificates must include a clause stating that the insurance may not be revoked, canceled, amended or allowed to lapse until the expiration of at least thirty (30) days advance written notice to City.

7.11.05. **City's Right to Reject**. City reserves the right to reject a certificate of insurance if Contractor's insurance company is widely regarded in the insurance industry as financially unstable. This would include but is not limited to insurance companies with any less than AVIII rating in the A.M. Best insurance rating guide.

7.11.06. **SubContractors**. The insurance requirements set forth above apply to all subContractors. It is Contractor's responsibility to ensure that its subContractor's meet these insurance requirements. City has the right to review the Certificates of any and all subcontractors used by Contractor.

7.11.07. **Cancellation**. There shall be no cancellation, material change, and potential exhaustion of aggregate limits or intent to not renew insurance coverage without thirty (30) days written notice from Contractor or their insurers to City. Any failure to comply with the reporting provision of this insurance, except for the potential exhaustion of aggregate limits, shall not affect the coverage provided to City and its division, officers and employees.

7.12. **Government Immunity.** City does not waive sovereign immunity by entering into this Contract and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other state law.

7.13. **Taxes.** Contractor shall pay all taxes and other such amounts required by federal, state and local law, including but not limited to federal and social security taxes, workers' compensation, unemployment insurance and sales taxes.

7.14. **Termination of Contract.** This contract may be terminated, for reasons of "non-peformance" by either party in accordance with the terms of this Contract upon thirty (30) days written notice except as provided in Paragraph 7.20. "non-performance" is defined as the contractor's inability to remedy any deficiencies within thirty (30) days after receiving written notification from City. If remedies are not complied by Contractor within thirty (30) days, this contract may be terminated immediately.

7.15. Third Party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of third party beneficiary, and this Contract shall not be construed so as to create such status. The rights, duties and obligations contained in this Contract shall operate only between the parties to this Contract, and shall inure solely to the benefit of the parties to this Contract. The provisions of the Contract are intended only to assist the parties in determining and performing their obligations under this Contract. The parties to this Contract intend and expressly agree that only parties signatory to this Contract shall have any legal or equitable right to seek to enforce this Contract, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Contract, or to bring an action for the breach of this Contract.

7.16. Warranty. Contractor warrants the following:

7.16.01. Has the ability to perform the agreed services;

7.16.02. Shall provide suitable resources to perform work in accordance with agreed services;

7.16.03. Will endeavor to provide the services herein on a timely basis consistent with the difficulty and scope of services to be provided; and

7.16.04. Shall perform services in a manner consistent with the degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances.

7.17. Time is of the Essence. Time is of the essence in all provisions of the Contract.

7.18. Titles Not Controlling. Titles of paragraphs are for reference only, and shall not be used to construe the language in this Contract.

7.19. Waiver. The waiver of any breach of any term or condition in this Contract shall not be deemed a waiver of any prior or subsequent breach.

7.20 Limitation of Payments. City's obligation to pay the Contractor for services rendered pursuant to this Contract is conditioned upon the availability of City's funds which are allocated to pay Contractor. If funds are not allocated and available to pay Contractor for these services, City may terminate this Contract at the end of the period for which the funds are available.

City shall notify Contractor at the earliest possible time if this Contractor will or may be affected by a shortage of funds. No liability shall accrue to City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments due or for any damages as a result of termination under this section. This provision shall not be construed so as to permit City to terminate this

Contract in order to acquire similar services from another party. The Consultant shall be paid for all services provided and expenses incurred prior to receipt of any such notification that City was terminating the Contract because of a shortage of funds.

IN WITNESS WHEREOF, the City Council has caused this Agreement to be signed and executed in its behalf by its City Manager, and duly attested by its City Clerk, and Contractor has signed and executed this Agreement, the day and year first written above.

Qualification's of The Proposer

Wildwood Tree Service with recent change in ownership, (same operator and employees) previously known as Bellwood Tree service, has been in business since 2005 and has performed a variety of work in the past 18 years. We have worked in the private sector in Douglas, Glenrock, Lusk, Glendo, and Wheatland and many ranches in between. We have successfully completed many trimming and dangerous removal jobs above buildings and around power lines.

Since 2013 we have been contracted with the city of Douglas and Lusk to perform all their tree trimming removal and maintenance needs.

Based on our past work experience and team of dedicated employees we feel that we can meet the needs of the city of Douglas.

RESUME:

Travis Dickau

PO Box #4, 52 Bayview Lane ♦ Glendo, WY 82213 ♦ (307) 351-5793 ♦ tdickau@hotmail.com

STANDARDS OF WORKMANSHIP REQUIRED

TREE TRIMMING AND TREE REMOVAL IN THE CITY OF DOUGLAS

REQUIREMENTS FOR TREE TRIMMING

1. Minimum of five (5) years' experience;
2. Must be licensed by the City of Douglas;
3. Must be insured. $2,000,000 min. Liability;
4. Minimum of one (1) bucket truck or approved equal, capable of reaching 60 feet.
5. Contractor shall provide various sizes of chain saws and necessary equipment for tree trimming, removal, clean up;
6. Contractor shall provide simultaneous clean-up of logs, branches, and other debris, while trimming or tree removal is in progress;
7. Contractor shall provide one or more stump grinder for stump removal;
8. Contractor shall provide necessary traffic control devices and traffic control personnel;
9. Contractor shall provide one (1) cutter and one (1) ground man for each bucket truck while trimming or tree removal is in progress;
10. Contractor shall be liable for any and all damage that may happen during the contract;
11. Contractor shall have a minimum of three (3) years' experience of cutting around power and electrical lines. A reference will be required.

CONDUCT OF OPERATION

1. All such work shall be conducted in a manner as to cause the least possible interference with others.
2. Trained personnel shall be utilized for work to perform properly and safely.
3. Each crew will consist of a minimum of two (2) or more working personnel.
4. A qualified supervisor shall be present at all times when work is being performed, except that he may be absent for short periods during the day when necessary because of emergencies or other urgent matters.
5. Any injury to persons or damages to property or structures located on any public street right-of-way resulting from tree work shall be promptly reported to the City Arborist and arrangements made to properly make restitution or repairs.
6. Clean-up of branches, logs, or any debris resulting from tree service operation shall be promptly attended. The work area shall be kept safe at all times. Under no condition shall the accumulation of brush, limbs, logs, or other debris be allowed upon a public street right- of-way in such a manner as to result in a public hazard.
7. Under no condition shall severed or partially cut limbs in the upper portion of any tree be left un-attended.

8. Pedestrian and vehicular traffic shall not be allowed to pass through the work areas until the area is safe.
9. Adequate barricades and warning devices shall be placed and as necessary for the safety of persons and vehicles.
10. Whenever larger tree sections are being removed which may endanger the public or property, such materials shall be secured by ropes and lowered safely in a controlled manner.
11. Whenever excavating, Contractor is responsible for utility locates by contacting Wyoming one call or property owner involved.
12. All street trees stumps shall be removed to 4 inches below the normal ground level unless a special authority is otherwise granted by the city arborist.
13. Excavations resulting from tree removals must be filled in to normal ground level with clean earth fill compacted and free of debris.

Agenda Item Report
City Council – July 28, 2025

Item
Vehicle: Community Service Officer

Responsible Staff Contact
John Harbarger, Josh Oberlander, Todd Byerly

Recommendation
Accept the bid from Laramie Peak Motors for a 2024 Ram 2500 4X4. For use by Douglas PD Community Service Officer for the sum of $45,000.00.

Executive Summary
The proposed purchase of a new/used pickup for 2nd Community Service Officer Proposed replacement with a budget of $25,000.00.

One vehicle was found in relatively good condition with low mileage:
Laramie Peak Motors of Wheatland- $45,000.00

Background
As the staff at the PD has grown they now have 2 CSO officers, and one CSO truck, by purchasing this pickup it would be for each officer to have his/her own vehicle. Another benefit to this truck would be the 8-foot truck bed for cages and other necessary equipment they carry. Also, it is heavy duty enough to pull the Command Center when needed.

Alignment to Strategic Doing (SD) and/or Other Plans
2025 Master Plan 1250

Budget/Fiscal Impact
Fund/Department 47-5470-6548
Project/Line Item(s) Pickup
Budgeted Amount $25,000.00
Anticipated Amount $45,000.00

Action Requested/Recommended Motion
Accept bid from Laramie Peak Motors for a 2024 Ram 2500 4X4 Pickup for the sum of $45,000.00
And authorize the City Manager to sign all associated documents.

Glossary

Certified Pre-Owned Vehicle
Certified Pre-Owned Vehicles (CPOs) are used vehicles that meet the certification criteria established by the manufacturer. Although each manufacturer establishes its own criteria to certify a vehicle, manufacturers typically certify recent model year vehicles with low mileage. CPO vehicles typically undergo a comprehensive inspection and come with a manufacturer-backed warranty and require a vehicle history report as part of the certification process.

First Owner
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Ownership History
CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Rental
Vehicle was registered by a rental agency.

Title Issued
A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

Planning Commission Regular Minutes
July 21, 2025

I. Call to Order

Chairman Hancock called the Douglas Planning and Zoning Commission to order at 5:30 p.m.

II. Pledge of Allegiance

Chairman Hancock led the assembly in the Pledge of Allegiance.

III. Roll Call

Roll call was taken with the following Commissioners present: Chairman Jay Hancock, Dave Patterson, Robin Velasquez, Scott Bauman, Carl Kosters. Also present Heid McCullough, Planning Technician.

IV. Approval of the Agenda

Commissioner Dave Patterson moved to approve the agenda for July 21, 2025. Seconded by Commissioner Scott Bauman. Motion 5-0.

V. Approval of the Minutes

Commissioner Robin Velasquez moved to approve the minutes for the May 19, 2025 minutes. Seconded by Commissioner Carl Kosters. Motion 5-0.

A. Approval of Minutes from May 19, 2025.

VI. Planning and Zoning Matters

A. **CUP 03-25 - Application by Miriah & Trent Boner for a conditional use permit to operate a Short-Term Rental in an R-2 Medium Density Residential Zone at 331 N. 3rd Street (Original Town of Douglas, Block 1, Lot 13).**

Chairman Hancock opened the public hearing at 5:31 p.m. Planning Technician McCullough reviewed the location, zoning data, surrounding land uses, and compliance with the Douglas Master Plan. Staff recommendation was for approval. The applicant, Miriah Boner, was noton hand to answer any questions. There were no public comments. Chairman Hancock closed the public hearing at 5:36 p.m. Commissioner Scott Bauman moved to recommend approval to City Council with staff recommendations. Seconded by Commissioner Robin Velasquez. Motion 5-0.

B. **ZON 01-25: Application by City of Douglas to rezone Douglas Mountain from R-1 Neighborhood Residential Zone and R-2 Medium Density Residential Zone to a GRN Greenspace Zone at 901 Center Street (A portion of the SE1/4 NE1/4 of Section 9, Township 32, Range 71 and a portion of the SE1/4 of the SW1/4 NE1/4 of Section 9, Township 32, Range 71).**

Chairman Hancock opened the public hearing at 5:36 p.m. Planning Technician McCullough reviewed the location, zoning data, surrounding land uses, and compliance with the Douglas Master Plan. Staff recommendation was for approval. Planning Technician McCullough represented the applicant, the City of Douglas. Craig Goodrich from 411 Longview Drive spoke during public comments and questioned the future plans for the property and the reason for the rezone. Planning technician McCullough spoke to the use of the property as a park, and the hope for future trails and recreation uses. Chairman Hancock closed the public hearing at 5:35 p.m. Commissioner Carl Kosters moved to recommend approval to City Council with staff recommendations. Seconded by Commissioner Robin Velasquez. Motion 5-0.

VII. Code Considerations

There were no updates on Code Considerations.

VIII. Staff Report – City Council Action on Forwarded Items

Planning Technician McCullough reported that the City Council voted to approve this matter with Planning and Zoning Commission recommendations.

A. CUP 02-25 Application by First Northern Bank for a Conditional Use Permit to install an Electronic Message Display Sign at 800 S. 4th Street (Original Town of Douglas, Block 63, Lot 15).

IX. Urban Renewal Authority

There was no update on the Urban Renewal Authority.

X. Adjournment

There being no other business, Chairman Hancock called for a motion to adjourn the meeting. Chairman Hancock adjourned the meeting at 5:45 p.m.

Jay Hancock, Chairman

The quarterly report is a requirement of your continued Community Service Grant funding per your Community Service Grant agreement. Failure to provide this report may result in no disbursement of funds. You may complete this financial section or attach your own financial statement. This information will be shared with City Council as part of a regular Council meeting. Submit completed quarterly reports with attachments (if applicable) to the Administrative Services Department.

1. Organization/Company Name:	2. Phone Number:
Laramie Peak Humane Society	307-358-6475

3. Complete Address:
612 N 2nd St Douglas WY 82633

4. Email Address:
lphsdirector@gmail.com

5. Report for Quarter (check one):

Ending March 31 ❑ Ending June 30 ■ Ending September 30 ❑ Ending December 31 ❑

6. Number of People Served for Quarter:	7. Total Income:	8. Total Expenditures:
132	46688.68	73773.53

9. Please list activities, events, completed goals, or other such information for the quarter you are reporting on (attach additional page(s) if necessary):
We Participated in Jackalope Days and Deer Creek Days. Low Rider races were a huge success and lots of fun. We also have 3 Boys and Girls club Students working at the shelter with us in the afternoons, the are part of the workforce ready program, it has been a great program so far.

10. Please list any other information you would like Douglas City Council to be aware of.
TNR's are going well we have had quite a few calls for vouchers and the new management structure seems to be working very well. The new building process is moving right along and we hope to see construction crews here soon!

Enterprise Staff Report
June 2025

THE ENTERPRISE
ECONOMIC DEVELOPMENT
CONVERSE COUNTY

Community Development:

- The Enterprise has officially kicked off event season with the Platte River Photography Show & Workshop. We had over 80 people attend our opening reception and awards ceremony. We had over 150 unique entries, showcasing talent from across the state. We gave out over $4,800 in awards. We thank our Photo Show sponsors and participants.
- The Platte River Photo Workshop had over 16 students, aged 11 years old and up, and a slew of new classes, field trips, and instructors. Two participants took advantage of the scholarships, provided by PRPS Workshop sponsor, Wyoming Community Foundation. Thank you to all who joined us.
  Wyoming State Fair Parade
- We are looking to set the theme for this year's Wyoming State Fair Parade. Our Grand Marshall Wyoming State Parks, Historical Sites & Trails.
  Converse County Career Fair
- On Tuesday, April 22nd, the Enterprise will be hosting a county-wide career fair in partnership with CCSD#1. We need your business! Please make plans to join us and host a booth! This career fair is open to the public and is a great opportunity to recruit workforce!
  EWC Construction Technology
- On April 29th, the EWC Foundation will host a Construction Technology dinner to bring together stakeholders and the community. The dinner will be from 5pm-8pm, with cocktails and networking from 5pm-6pm. This will happen at the EWC: Douglas Campus. We need your voices there to support this expansion to the EWC: Douglas Campus, and we encourage you to join. Please RSVP by April 22. Call Lisa Johnson at 307-534-5410.
  Office Space
- 7 Stones Electric recently moved into the Gentry Building on South 2nd Street. They are in the process of renovating, but they have opened the 2nd floor up for office space. 7 Stones Electric currently has two move-in-ready office spaces for rent, available for $500/month, including utilities. Each office is around 250 sqft and upstairs above their electrical shop. Multi-office discounts available. Call Ashley at 307-359-0742 with any questions or to set up a time to tour the space!
  Jackalope Days planning begins
- Planning for the upcoming Jackalope Days will begin later this month. If you or your organization wants to get involved or host an event, JOIN US! We need all the help we can get!
- It's Economic Development Week here in Douglas, as proclaimed at the Monday night Douglas City Council Meeting.
- Park It! at the Railroad Museum from June 5th, 5-8p
- 25th Annual Knight Kruisers Car Show June 7th.
- Jackalope Days 2025
  - Railroad Day at Douglas Railroad Museum June 13th, 11am-2pm.
  - National Jackalope Day June 14th. Jackalope Days celebration at Jackalope Square
  - Ride, Row & Run June 14th, 7am.
  - Community awards June 15th. Community Awards will be held in conjunction with the Big Summer Block Party hosted by Memorial Hospital of Converse County.
- Sewer and water main expansion into John Lambert Subdivision. The County has begun work on upsizing the sewer and water main on LaBonte Rd. from Richards to Fetterman to South of Bartling Park.
- Douglas is now a Tax Increment Financing (TIF) District. At Monday's (May 12th) City Council meeting, the City Council passed a resolution for Douglas to become a Tax Increment Financing (TIF) district.

- Water Park construction is under way. The city has started renovations on the Waterpark, with the hope of opening to the public in Summer 2026.
- Douglas Mountain Trails & Bike Skills Park is making progress. Loads of progress is happening up on Douglas Mountain. Located at the end of Center Street and Antelope Road
    - Douglas awarded its only available liquor license to Homewood Suites.
- 25th Annual Knight Kruisers Car Show was a big success with over 100 cars.
- Jackalope Days 2025
    - Railroad Day at Douglas Railroad Museum June 13th, 11am-2pm.
    - National Jackalope Day June 14th. Jackalope Days celebration at Jackalope Square
    - Ride, Row & Run June 14th, 7am.
    - Community awards June 15th. Community Awards will be held in conjunction with the Big Summer Block Party hosted by Memorial Hospital of Converse County.
- Maverick Gas Station's new location is coming along quickly.
- The new Jackalope Bucks Gift Card is designed to support and promote local businesses right here in Douglas, but we have to have businesses sign up to be a part of the network.
- Water Park construction is under way. The city has started renovations on the Waterpark, with the hope of opening to the public in Summer 2026.
- Douglas Mountain Trails & Bike Skills Park is open. Located at the end of Center Street and Antelope Road
- Homewood Suites by Hilton has been making progress on its extended-stay 100-room hotel project. Goldman Sachs 10,000 Small Businesses is bringing its renowned business education program to Wyoming, offering small business owners the tools and support to grow their enterprises. This free, 12-week program provides practical business training, access to capital, and personalized support services.

Workforce Development

- The Career Fair was well attended by both the businesses and job seekers.
- Doing mock interviews with FBLA at the high school
- Scheduling our first Workforce Development Committee meeting to set the Boot Camp date for the fall.
- Working with Norma Jean at the Youth Detention Center to develop job skills for her resident kids.
-
- Working with NJ, the county independent living coordinator
- Foundations, a pilot program designed to teach life skills to kids in foster care. They will be required to take the WorkKeys assessments.
- IEDC Economic Development and Workforce Development Rural Retreat.
- Scheduling our first Workforce Development Committee meeting to set the Boot Camp date for the fall.

DRRM & VC Monthly Managers Report

Month of: June 2025

What major accomplishments were achieved this month? (beyond daily/weekly duties, major projects, new displays, etc.)

- Railroad days was a huge success, visitors around 600. People loved the interactive art.
- Historic Society Trec went well with over 100 visitors, Volunteer Jim gave train tours.
- Second month of voting for your favorite car with $147 donations Dining Car, winner.
- Junior Engineer Adventure guide is a HUGE hit, kids love it! It is keeping families at the museum longer, around an hour average.

Events-

- Park it! June around 450, was cool but no rain, 25+ vendors.

List any conflicts or issues with staff/customers/merchants/vendors. Has it been resolved?

- None

What compliments, positive comments, or any highlights to share from this month that stand out:

- Every visitor loves it! Friendly, informative. We started comment cards the last couple days and a few people have been excited to fill them out. More positive comments on Google Reviews.
- The only negative comment was that the slideshow wasn't updated the day after Glenrock Days.

Trending Items, suggested items to be added, etc.?

- Books and stickers
- Added transcontinental RR Map
- New T-shirts and books

Supplies: What supplies are needed/requested from Enterprise, City of Douglas, CCTPB, etc?

-

Building/Grounds Repair and maintenance items.

- Michael and the City have been notified that the window sill on the east side of the caboose is rotting. No other leaking or immediate repairs are needed on the trains.
- The City has been notified there is a woodpecker that made a hole and possibly a nest on the north side of the building
- No repairs have been made on the depot. Michael replaced 3 windows on the dining car and removed 2 more for repair.

Volunteers:

-

Meetings:

Arts and Culture Board - 2025FY Budget was approved. .Projects will include a community paint-by-number mural, Platte River Creatures to include a scavenger hunt collaboration with artist Richard Burke and the Boys & Girls Club, electrical box beautification, and several small community art involvement projects. New board member Sharon Tuckey.
Next meeting- July 23th, 5:30, City Hall

Tourism Board **-** Working on convention bags. FY26 Marketing plan was approved from Jen Womack at Sage Brush Marketing, no other marketing plans were requested or reviewed. The budget committee met prior to the board meeting and the budget was accepted as they presented. 1 grant was reviewed and approved. The marketer will be marketing for events when approving grants through bids (Douglas Budget, Radio, Cowboy State, etc) instead of granting total funding requests from events.
Next meeting July 8 at 5:00 for public budget review and regular meeting July 22 at 5:30, Ruthie James

DRRM & VC Monthly Managers Report

Month of: April 2025

What major accomplishments were achieved this month? (beyond daily/weekly duties, major projects, new displays, etc.)

- Christian school from Casper Visited
- The City has added the grader display.
- Twin Peaks decided they do not want us to put the posts on potentially their property. The city is looking at having it surveyed. I talked to Brandon about creating a mural space around the air conditioner/gas meter. He loved the idea and if Josh has time we will create a mural there before he moves possibly with some student artists help.
- Children's Entrepreneur Market will be hosting an event during Railroad Days 2025. We are looking to have 30-50 Children's booths. So far 6 have registered, if we don't have 15 they will cancel. The Arts & Culture Board will pay for any kids interested, currently working with the Boys & Girls Club to get more kids involved. Currently, The wool spinner club, a sculptor and a couple of chalk artists will be demonstrating and working with kids.

Events-

- None

List any conflicts or issues with staff/customers/merchants/vendors. Has it been resolved?

- None

What compliments, positive comments, or any highlights to share from this month that stand out:

- Love it, great, so excited to be here

July 10, 2025

Re: City of Douglas Grant

We want to thank the City of Douglas for the opportunity to serve the Douglas community and for the generous financial support provided. HCBH relies on grant funds such as these to provide the services we offer while staying financially viable. We hope to continue this partnership well into the future.

Included is a summary of our Income and expenses for our Douglas office and Solutions Group Home. Please let us know if there are any questions.

Sincerely

Paul Sanderson

Finance Manager
